

Appendix F, Items F1 and F2 – Proposal Deviations (2 pages)

Instructions:

Vendors must complete and submit two separate proposal deviations worksheets **alongside their proposed contract**. This document alone does not constitute a complete proposal.

- Item F1 for deviations to the minimum contract requirements outlined in Appendix A. Vendors are required to provide a contract that incorporates the minimum requirements outlined in Appendix A except for any deviations described in Item F1.
- Item F2 for deviations to all other RFP requirements (plan designs, administration, etc.).

Failure to include this information with your proposal may exclude your organization from further consideration.

Appendix F, Item F1 – Proposal Deviations to Minimum Contract Provisions

Please complete the following worksheet for any and all deviations and exceptions to the required contract language and provisions as outlined in the minimum contract provisions provided with this RFP in Appendix A. Suggested alternatives must be included. Please note if there is any additional cost related to the alternatives outlined. Vendors should add additional pages as needed.
