Memorandum

2023-8

TO: PAYROLL/PERSONNEL OFFICER – STATE AGENCIES WITH NEWLY ELIGIBLE PEACE OFFICERS

FROM: NORTH DAKOTA PUBLIC EMPLOYEES RETIREMENT SYSTEM

DATE: JULY 2023

SUBJECT: STATE PUBLIC SAFETY PLAN EMPLOYER CONTRIBUTION

Due to legislation passed in HB 1183 and Board action, the retirement employer contribution for various NDPERS retirement plans will increase effective August 1, 2023 and January 1, 2024. Neither the employee contribution nor the RHIC contribution (if applicable) will change.

Please note that these employer contributions will apply for any newly eligible peace officers that must be enrolled in the State Public Safety Plan due to the provisions of HB 1183.

State agencies on Central Payroll do not have to take action to update the contribution rates. NDPERS will update PeopleSoft with the new contribution rates. However, we encourage your agency to ensure the information displays accurately for each eligible employee's paycheck for the August 2023 payroll that is paid September 1, 2023.

Other employers not on the State's Central Payroll (including Higher Ed) will need to update their payroll system with the new contribution rates. This must be completed for each eligible employee with the August 2023 reporting month of contributions.

State Public Safety Plan:

New Employer Contribution 8/1/2023	New Employer Contribution 1/1/2024
12.75%	14.34%
