This form is available in an IRS format upon request.

Your benefits from NDPERS are subject to federal and North Dakota State income tax withholding. Use this form to inform NDPERS of your income tax withholding election. The amount withheld will automatically change as the federal tax rates are adjusted each year.

Once you make an election, it will remain in effect until you change or revoke it. You must file a new form to change your filing status and/or the number of exemptions used in determining the amount being withheld from your pension benefit.

If you choose not to have tax withheld or do not have enough tax withheld, you may have to make estimated tax payments to the Internal Revenue Service (IRS). You may be subject to penalties if your payments of estimated tax and withholding are not sufficient.

If you do not complete a Withholding Allowance Election for Pension Payments SFN 51506, NDPERS is required to withhold federal income tax as though you are married (in accordance with federal law) with three (3) withholding allowances. We are not required to withhold North Dakota state income tax.
