

VILLAGE BUSINESS INSTITUTE

Employee Assistance Program

SINCE 1972

Workplaces that truly value the emotional and physical well-being of their employees are more successful. They are also the employers-of-choice for talented people.

The Village Employee Assistance Program

is passionate about making your organization a healthy and productive place to work.

Through free trainings, counseling, and wellness resources, we are here to help set you and your employees up for success. Visit our website for more information on all that

The Village EAP has to offer.

FACE-TO-FACE PERSONAL COUNSELING

VBI counselors are here to provide **face-to-face counseling** to your employees with no barriers to service. Whether it be workplace, relationship, or emotional, our providers can help with a wide range of issues. One of our goals at The Village EAP is to help to ensure emotional health and well-being by encouraging early identification of personal problems and offering solutions.

TRAINING AND DEVELOPMENT

Supervisors and employees in any organization face multiple challenges as they strive to create a positive working environment, maintain high levels of work productivity, and find a balance between their work and personal lives. Our VBI trainers work with you to personalize the topic, adapting to meet your goals and objectives. Thanks to a long-standing partnership, The Village EAP offers a reduced NDPERS EAP rate for consulting, training, formal referrals, and crisis management services. In addition, check out our [Eventbrite page](#) for free monthly webinars!

FINANCIAL COUNSELING

The Village EAP can help your employees make positive financial decisions. Some of the tools through our **in-house Financial Resource Center** include Financial Review; Debt Management Plan; Housing Counseling; Financial Coaching; Credit Report Reading Service; and Pre-Marital Financial Review in addition to many other services.
