NORTH DAKOTA PUBLIC EMPLOYEES RETIREMENT SYSTEM DEFERRED COMPENSATION 457(B) PLAN

ARTICLE 1 PURPOSE

The North Dakota Public Employees Retirement System Board (“Board”) hereby amends, reestablishes and reaffirms the Section 457 Plan and Trust (“the Plan”). The Plan consists of the provisions set forth in this document. The primary purpose of this Plan is to retain present employees and attract new employees for participating employers by providing increased retirement income and other deferred benefits to employees and their beneficiaries in accordance with the provisions of section 457 of the Internal Revenue Code and amendments thereto and by providing additional investment opportunities that are not otherwise available under the North Dakota Section 457 Deferred Compensation Plan. This Plan shall be an agreement solely between the employer and participating employees. The Plan is intended to satisfy the requirements of an eligible deferred compensation plan under Internal Revenue Code section 457(b) and shall be interpreted as such.

Nothing contained in this Plan shall be deemed to constitute an employment contract or agreement for services between participating employees and their employer nor shall it be deemed to give a participating employee any right to be retained in the employ of, or under contract to, an employer. Nothing herein shall be construed to modify the terms of any employment contract or agreement for services between participating employees and their employer as this Plan is intended to be a supplement thereto.

- 3.2 Election Required for Deferrals.** An Employee may elect to become a Participant by executing an election to defer a portion of his or her Compensation (and have that amount contributed as Deferrals on his or her behalf) and submitting it to the Administrator. This participation election shall be made pursuant to a deferral agreement under which the Employee agrees to be bound by all the terms and conditions of the Plan. The Administrator may establish a minimum deferral amount, and may change such minimums from time to time. Subject to the limits of Article 4, a Participant must currently defer a minimum of \$25 per month. The participation election shall include selection of an Investment Provider. Any such election shall remain in effect until a new election is submitted.
- 3.3 Commencement of Participation.** An Employee shall become a Participant as soon as administratively practicable following the date the Employee files a participation election pursuant to Section 3.2 or becomes eligible for Employer Contributions under Section 3.9. Such election shall become effective no earlier than the date the Employee files a participation election pursuant to Section 3.2 or becomes eligible for Employer Contributions under Section 3.9, as permitted under Code Section 457(b)(4)(A). A new Employee may defer compensation payable in the calendar month during which the Participant first becomes an Employee if an agreement providing for the deferral is entered into on or before the first day on which the Participant performs services for the Employer.
- 3.4 Information Provided by the Participant.** Each Employee enrolling in the Plan should provide to the Administrator at the time of initial enrollment, and later if there are any changes, any information necessary or advisable for the Administrator to administer the Plan, including, without limitation, whether the Employee is a participant in any other eligible plan under Code section 457(b).
- 3.5 Contributions Made Promptly.** Deferrals by the Participant under the Plan shall be transferred to the Trust Fund within a period that is not longer than is reasonable for the proper administration of the Participant's Account Balance. For this purpose, Deferrals shall be treated as contributed within a period that is not longer than is reasonable for the proper administration if the contribution is made to the Trust Fund within 15 business days

following the end of the month in which the amount would otherwise have been paid to the Participant.

- 3.6 Amendment of Deferral Election.** Subject to other provisions of the Plan, a Participant may at any time revise his or her participation election, including a change of the amount of his or her Deferrals, as well as his or her investment direction and his or her designated Beneficiary through the Investment Provider(s). However, the Board retains the authority to limit the frequency of changes to the amount of Deferrals, applied uniformly to all Employees, as it deems appropriate. Unless the election specifies a later effective date, a change in the amount of Deferrals shall take effect as of the first day of the next following month or as soon as administratively practicable if later. A change in the investment direction shall take effect as of the date provided by the Administrator on a uniform basis for all Employees. A change in the Beneficiary designation shall take effect when the election is accepted by the Investment Provider.
- 3.7 Leave of Absence.** Unless an election is otherwise revised, if a Participant is absent from work by leave of absence, Deferrals under the Plan shall continue to the extent that Compensation continues. If a Severance from Employment is determined to have occurred, the Participant may elect to receive a distribution of benefits as provided for in Article 5.
- 3.8 Disability.** A disabled Participant may elect to make Deferrals during any portion of the period of his or her disability to the extent that he or she has actual Compensation (not imputed compensation and not disability benefits) from which to make contributions to the Plan and has not had a Severance from Employment.
- 3.9 Employer Contributions.** A Participant shall become entitled to Employer Contributions as elected by the Employer and communicated to the Plan Administrator in a form acceptable to the Administrator. An Employee who is not a Participant shall become a Participant immediately upon becoming entitled to an Employer Contribution pursuant to the Employer's election, regardless of whether such Employee elects to make Deferrals.

ARTICLE 4

LIMITATIONS ON AMOUNTS DEFERRED

- 4.1 Basic Annual Limitation.** In accordance with Code Section 457(b)(2), the maximum annual amount of Plan Contributions for any calendar year shall not exceed the lesser of (1) the applicable dollar amount set forth under Code Section 457(e)(15)(A), as indexed under Code section 457(e)(15)(B) or (2) the Participant's Includible Compensation for the calendar year.
- 4.2 Age 50 Catch-up Contributions.** A Participant who will attain age 50 or more by the end of the calendar year is permitted to make additional annual Deferrals up to the applicable dollar amount under Code section 414(v), as indexed in accordance with Code section 414(v)(2)(C). If adopted by the Board, the adjusted dollar amount under Code Section 414(v)(2)(E), as increased by the Cost of Living Adjustment in effect for such calendar year, shall apply to a Participant who will attain age 60 but will not attain age 64 by the end of the calendar year.

4.3 Special Section 457 Catch-up Limitation. In accordance with Code Section 457(b)(3), if the applicable year is one of the Participant's last three consecutive calendar years ending before the year in which the Participant attains Normal Retirement Age and the amount determined under this Section 4.3 exceeds the amount computed under Section 4.1 and 4.2, then the annual limit on Plan Contributions under this Article 4 shall be the lesser of:

- (a) An amount equal to two times the applicable dollar amount under Section 4.1 for such year; or
- (b) The sum of:
 - (1) An amount equal to (A) the aggregate limit under Section 4.1 for the current calendar year plus each prior calendar year beginning after December 31, 2001 during which the Participant was an Employee under the Plan, minus (B) the aggregate amount of Compensation that the Participant deferred under the Plan during such years, plus
 - (2) An amount equal to (A) the aggregate limit under Code section 457(b)(2) for each prior calendar year beginning after December 31, 1978 and before January 1, 2002 during which the Participant was an Employee (determined without regard to Sections 4.2 and 4.3), minus (B) the aggregate contributions to Pre-2002 Coordination Plans (as defined by Treasury Regulations and provided in Section 4.4(c)) for such years.

However, in no event can the deferred amount be more than the Participant's Compensation for the year.

- (c) If adopted by the Board, effective January 1, 2026, or such later effective date determined by the Secretary of the Treasury through guidance and subject to such guidance, with respect to a Participant whose wages within the meaning of Code Section 3121(a) for the preceding calendar year from the Employer exceed the limitation under Code Section 414(v)(7)(A), as indexed, paragraph (b) shall not apply.

4.4 Special Rules. For purposes of this Article 4, the following rules shall apply:

- (a) If the Participant is or has been a participant in one or more other eligible plans within the meaning of Code section 457(b), then this Plan and all such other plans shall be considered as one plan for the purposes of applying the foregoing limitation of this Article 4. For this purpose, the Administrator shall take into account any other such eligible plan maintained by the Employer and shall also take into account any other such eligible plan for which the Administrator receives from the Participant sufficient information concerning his or her participation in such other plan.

- (b) In applying Section 4.3, a year shall be taken into account only if the Participant was eligible to participate in the Plan during all or a portion of the year and Compensation deferred, if any, under the Plan was subject to the maximum amount described in Section 4.1 or any other plan limit required by Code section 457(b).
- (c) For purposes of Section 4.3(b)(2), the term “contributions to Pre-2002 Coordination Plans” means any employer contribution, salary reduction or elective contribution under any other eligible Code section 457(b) plan, or a salary reduction or elective contribution under any other eligible Code section 401(k) qualified cash or deferred arrangement, Code section 402(h)(1)(B) simplified employee pension (SARSEP), Code section 403(b) annuity contract and Code section 408(p) simple retirement account, or under any plan for which a deduction is allowed because of a contribution to an organization described in Code section 501(c)(18), including plans, arrangements or accounts maintained by the Employer or any employer for whom the Participant performed services. However, the contributions for any calendar year are only taken into account for purposes of Section 4.3(b)(2) to the extent that the total of such contributions does not exceed the aggregate limit referred to in Code section 457(b)(2) for that year.
- (d) For purposes of Sections 4.1, 4.2 and 4.3, an individual is treated as not having deferred compensation under a plan for a prior taxable year to the extent Excess Deferrals (as defined in Section 4.5) under the plan are distributed. To the extent that the combined deferrals for pre-2002 years exceeded the maximum deferral limitations, the amount is treated as an Excess Deferral for those prior years.

4.5 Correction of Excess Deferrals. If the annual amount of Plan Contributions on behalf of a Participant for any calendar year exceeds the limitations described in this Article 4, or the annual amount of Plan Contributions on behalf of a Participant for any calendar year exceeds the limitations described in this Article 4 when combined with other amounts deferred by the Participant under another eligible deferred compensation plan under Code section 457(b) for which the Participant provides information that is accepted by the Administrator, then the annual amount of Plan Contributions, to the extent in excess of the applicable limitation (“Excess Deferral”), and adjusted for any income or loss in value, if any, allocable thereto, shall be distributed to the Participant.

4.6 Protection of Persons Who Serve in a Uniformed Service. An Employee whose employment is interrupted by qualified military service under Code section 414(u) or who is on a leave of absence for qualified military service under Code section 414(u) may elect to make additional Deferrals upon resumption of employment with the Employer equal to the maximum amount of annual Deferrals that the Employee could have elected during that period if the Employee’s employment with the Employer had continued (at the same level of Compensation) without the interruption or leave, reduced by the Deferrals, if any, actually made for the Employee during the period of the interruption or leave. This right applies for five years following the resumption of employment, or if sooner, for a period equal to three times the period of the interruption or leave.

If such Participant elects to make such additional Deferrals, then the Employer shall make up the related matching Employer Contributions which would have been required had such Deferrals actually been made during the period of qualified military service. The make-up contributions by the Employer shall be made as soon as practicable after the Participant makes such make-up contributions.

If the Participant timely resumes employment in accordance with USERRA after a qualified military leave, the Employer shall make any nonelective Employer Contributions that would have been made if the Participant had remained employed during the Participant's qualified military service. Such contributions must be made no later than ninety (90) days after the date of such reemployment or when contributions are normally due for the year in which the qualified military service was performed, if later.

In determining the amount of Deferrals and Employer Contributions, a Participant shall be treated as receiving compensation from the Employer during such period of qualified military service equal to: (i) the compensation the Participant would have received during such period if the Participant were not in qualified military service, determined based on the rate of pay the Participant would have received from the Employer but for the absence during the period of qualified military service; or (ii) if the compensation the Participant would have received during such period is not reasonably certain, the Participant's average compensation from the Employer during the twelve (12) month period immediately preceding the qualified military service (or, if shorter, the period of employment immediately preceding the qualified military service).

In addition, effective for deaths occurring on or after January 1, 2007, if a Participant dies while performing qualified military service (as defined in Code section 414(u)(5)), this Plan shall provide all applicable benefits required in accordance with Code section 401(a)(37), but the provisions of Code section 414(u)(9) shall not apply to this Plan.

ARTICLE 5 DISTRIBUTION OF BENEFITS

5.1 Distribution Restrictions.

- (a) In accordance with Code section 457(d), a Participant, or, if applicable, a Beneficiary, shall be eligible to receive a distribution of his or her Account Balance if the Participant:
 - (1) has a Severance from Employment;
 - (2) dies;
 - (3) is eligible for a distribution under Section 5.4;
 - (4) has a Severance from Employment and is subject to the mandatory distribution of the Account Balance under Section 5.7.
- (b) Paragraph (a) notwithstanding, a Participant's account attributable to rollover contributions made pursuant to Section 7.1 may be distributed to a Participant at

any time, to the extent that the rollover contributions made pursuant to Section 7.1 have been separately accounted for by the Administrator.

5.2 Benefit Distribution Election. A Participant may elect to commence distribution of his or her Account Balance any time after retirement or other Severance of Employment by filing an application for a distribution with the Administrator.

5.3 Payment Options.

- (a) A Participant (or, if applicable, a Beneficiary) entitled to a distribution under this Article 5 may elect to receive payment in any of the following forms of distribution:
 - (1) a lump sum payment of the total Account Balance;
 - (2) annual, monthly, or quarterly installment payments as permitted under the terms of the investment product(s); or
 - (3) a direct rollover to an Eligible Retirement Plan as described in Section 7.2.
- (b) A lump sum payment of a Participant's Account may be made without the consent of the Participant or Beneficiary if their Account Balance does not exceed \$1,000 taking into account their Rollover Contribution Account, unless the Participant elects to have such distribution paid directly to an eligible retirement plan specified by the Participant in a direct rollover or to receive the distribution directly in a lump sum.

5.4 Distribution Events.

- (a) Unforeseeable Emergency Distributions. In accordance with Code section 457(d)(1)(A)(iii) and Treasury Regulation § 1.457-6(c)(1), if the Participant has an unforeseeable emergency before Severance from Employment, the Participant may elect to receive a lump sum distribution equal to the amount requested or, if less, the maximum amount determined by the Administrator to be permitted to be distributed under this Section 5.4(a).
 - (1) For this purpose, an unforeseeable emergency is defined as a severe financial hardship of the Participant resulting from an illness or accident of the Participant, the Participant's spouse or dependents (as defined in Code section 152(a) without regard to Code section 152(b)(1), (b)(2) and (d)(1)(B)); loss of the Participant's property due to casualty (including the need to rebuild a home following damage to a home not otherwise covered by homeowner's insurance, e.g., as a result of natural disaster); the need to pay for the funeral expenses of the Participant's spouse or dependent (as defined in Code section 152(a) without regard to Code section 152(b)(1), (b)(2) and (d)(1)(B)); or other similar extraordinary and unforeseeable circumstances arising as a result of events beyond the control of the Participant. For example, the imminent foreclosure of or eviction from the

Participant's primary residence may constitute an unforeseeable emergency. In addition, the need to pay for medical expenses, including nonrefundable deductibles, as well as for the cost of prescription drug medication, may constitute an unforeseeable emergency. Except as otherwise specifically provided in this Section 5.4(a), neither the purchase of a home nor the payment of college tuition is an unforeseeable emergency.

- (2) A distribution on account of unforeseeable emergency may not be made to the extent that such emergency is or may be relieved through reimbursement of compensation from insurance or otherwise, by liquidation of the Participant's assets, to the extent the liquidation of such assets would not itself cause severe financial hardship, or by cessation of deferrals under the Plan.
- (3) Distributions because of an unforeseeable emergency may not exceed the amount reasonably necessary to satisfy the emergency (which may include any amounts necessary to pay any federal, state, or local income taxes or penalties reasonably anticipated to results from the distribution).

- (b) Voluntary Distribution of Small Amounts. Upon proper written request to the Administrator, a Participant may elect to receive a distribution of his or her total Account Balance in a lump sum if the Account Balance does not exceed \$7,000 (or the dollar limit under Code section 411(a)(11), if greater) without regard to amounts attributable to rollover contributions under Section 7.1, no Plan Contributions have been made for the Participant during the two-year period immediately prior to the date of distribution, and the Participant has not previously received a distribution of his or her Account Balance under this Section 5.4.

5.5 Death Benefit. If a Participant dies before the distribution of his or her entire Account Balance, the remaining Account Balance shall be distributed to the Beneficiary(ies) as soon as administratively practicable after the Participant's death, unless the Beneficiary elects a later payment date, subject to Code section 401(a)(9). A Beneficiary may elect to receive the Participant's Account Balance under any distribution option available under Section 5.3, subject to Code section 401(a)(9).

5.6 Required Distribution Rules.

- (a) The provisions of this Section 5.6 take precedence over any inconsistent provisions of the Plan. As required by Code section 457(d)(2), the Plan shall comply with the minimum distribution requirements of Code section 401(a)(9), as applicable to an eligible governmental plan described in Treasury Regulation § 1.457-2(f). All distributions under this Plan shall be made in accordance with a reasonable and good faith interpretation of Code section 401(a)(9) and the regulations promulgated thereunder, including the incidental death benefit rules under Code Section 401(a)(9)(G) and the changes under the Setting Every Community Up for Retirement Enhancement (SECURE) Act of 2019, SECURE

2.0 of 2022, and Treasury Regulation Sections 1.401(a)(9)-1 through -9, as each may be amended from time to time.

- (b) A Participant's Accounts will be distributed, beginning not later than as required under paragraph (c), over one of the following periods (or a combination thereof):
 - (1) The life of the Participant;
 - (2) The life of the Participant and a Designated Beneficiary;
 - (3) A period certain not extending beyond the life expectancy of the Participant; or
 - (4) A period certain not extending beyond the joint and last survivor life expectancy of the Participant and Designated Beneficiary;
- (c) A Participant's Account shall be distributed to the Participant beginning no later than April 1 of the calendar year following the later of (i) the calendar year in which the Participant attains the applicable age within the meaning of Code Section 401(a)(9)(C)(v) or (ii) the calendar year in which the Participant has a Severance from Employment.
- (d) Subject to regulations or other guidance issued under Code Section 401(a)(9), upon the death of the Participant before distribution of their Account has begun under paragraph (c), the following distribution provisions shall take effect:
 - (1) The portion of the Participant's Account payable to a Beneficiary that is not a Designated Beneficiary shall be distributed by December 31 of the calendar year containing the fifth anniversary of the Participant's death.
 - (2) The portion of the Participant's Account payable to a Designated Beneficiary who is not an Eligible Designated Beneficiary shall be distributed by December 31 of the calendar year containing the tenth anniversary of the Participant's death.
 - (3) The portion of the Participant's Account payable to an Eligible Designated Beneficiary shall be distributed, pursuant to the election of the Eligible Designated Beneficiary, either (i) by December 31 of the calendar year containing the tenth anniversary of the Participant's death, or (ii) beginning no later than December 31 of the calendar year immediately following the calendar year in which the Participant died, over the life of the Eligible Designated Beneficiary or over a period not exceeding the life expectancy of the Eligible Designated Beneficiary. If the Eligible Designated Beneficiary is the surviving Spouse, the Eligible Designated Beneficiary may elect to delay payment under item (ii) until December 31 of the calendar year in which the Participant would have attained the applicable age within the meaning of Code Section

401(a)(9)(C)(v). If the Eligible Designated Beneficiary does not elect a method of distribution as provided above, the Participant's Accounts shall be distributed in accordance with item (i).

- (e) Subject to regulations or other guidance issued under Code Section 401(a)(9), upon the death of the Participant after distribution of their Account has begun under paragraph (c), any remaining portion of their Account shall continue to be distributed at least as rapidly as under the method of distribution in effect at the time of the Participant's death; provided, however, that the portion of the Participant's Account payable to a Designated Beneficiary who is not an Eligible Designated Beneficiary shall be distributed in its entirety by December 31 of the calendar year containing the tenth anniversary of the Participant's death.
- (f) Upon the death of an Eligible Designated Beneficiary, or the attainment of age 21 of an Eligible Designated Beneficiary who is a minor child of the Participant, before distribution of the Participant's entire Account under paragraphs (d) or (e), the remainder of the Participant's Account shall be distributed by December 31 of the calendar year containing the tenth anniversary of the Eligible Designated Beneficiary's death, or by December 31 of the calendar year in which the child attains age 31, as applicable.
- (g) Any distribution required under the incidental death benefit requirements of Code Section 401(a) shall be treated as a distribution required under this Section 5.6.
- (h) Effective in 2009, notwithstanding subsections (a) and (b) above, a Participant (or, if applicable, the Participant's Beneficiary) who would have been required to receive required minimum distributions for 2009 but for the enactment of Code section 401(a)(9)(H) ("2009 RMDs"), and who would have satisfied that requirement by receiving distributions that are (1) equal to the 2009 RMDs or (2) one or more payments in a series of substantially equal distributions (that include the 2009 RMDs) made at least annually and expected to last for the life (or life expectancy) of the Participant, the joint lives (or joint life expectancy) of the Participant and the Participant's designated Beneficiary, or for a period of at least 10 years ("Extended 2009 RMDs"), will receive those distributions for 2009 unless the Participant or Beneficiary chooses not to receive such distributions. Participants and Beneficiaries described in the preceding sentence will be given the opportunity to elect to stop receiving the distributions described in the preceding sentence. In addition, notwithstanding Section 5.6(a)(3) of the Plan, and solely for the purpose of applying the direct rollover provisions of the Plan, the Board shall only offer direct rollover of 2009 RMDs and Extended 2009 RMDs that are received by a Participant or Beneficiary to the extent such distributions that would be Eligible Rollover Distributions without regard to Code section 401(a)(9)(H).
- (i) Effective 2020, notwithstanding any other provisions of this Plan, a Participant who would have been required to receive required minimum distributions in 2020 (or paid in 2021 for the 2020 calendar year for a recipient with a Required

Beginning Date of April 1, 2021) but for the enactment of section 401(a)(9)(I) of the Code ("2020 RMD"), and who would have satisfied that requirement by receiving distributions that are (1) equal to the 2020 RMDs, or (2) one or more payments (that include the 2020 RMDs) in a series of substantially equal periodic payments made at least annually and expected to last for the life (or life expectancy) of the Participant, the joint lives (or joint life expectancies) of the Participant and the Participant's designated Beneficiary, or for a period of at least 10 years ("Extended 2020 RMDs"), will receive those 2020 distributions unless the Participant or Beneficiary elects not to receive such distribution. Notwithstanding the preceding sentence, a Participant or Beneficiary will be given an opportunity to make an election as to whether or not to receive such 2020 RMD distributions.

- 5.7 Designated Beneficiary.
