## **INTRODUCTION**

The Law Enforcement retirement plan became effective August 1, 2003 following the passage of SB 2033. The plan was designed to provide retirement benefits in recognition of your service as a public employee.

Effective August 1, 2017 with the passing of HB 1148, firefighters employed by participating political subdivisions became eligible for this plan. As a result, it was renamed as the Public Safety Retirement Plan to allow for the new membership.

Your retirement program provides you with benefits at retirement or upon disability or death. Because these benefits represent an important source of security to you and your family, please read this publication carefully to ensure you understand your rights and responsibilities in becoming eligible for benefits.

This publication is intended to provide general information and may not be considered to be a legal interpretation of retirement law. Statements contained in this handbook do not supersede the North Dakota Century Code or Administrative Code or restrict the authority granted to the Retirement Board.

Material in this publication is current as of the 2019 session of the North Dakota legislature. This information is subject both to changes made by the legislature and rules and regulations established by the Board of the North Dakota Public Employees Retirement System (NDPERS).

The benefits described in this publication pertain to the NDPERS Public Safety Defined Benefit Retirement Plan only. Retirement plan eligibility requirements and benefits for the NDPERS Defined Benefit "Main" Retirement Plan, the justices of the Supreme Court or judges of the District Courts, the Highway Patrol, and the NDPERS Defined Contribution plan are addressed in separate publications.

## **CONFIDENTIALITY LAW**

All records of a member or beneficiary are confidential and not public records. Information and records may be disclosed under limited circumstances:

- A person to whom a member/beneficiary has given written consent.
- A person legally representing the member/beneficiary upon proper proof of representation, unless member/beneficiary withholds consent.
- A person authorized by court order.
- A member's spouse or former spouse, that individual's legal representative, and the judge presiding over the member's dissolution of marriage proceedings for the purpose of drafting a **Qualified Domestic Relations Order**.
- A member's participating employer's authorized agent, under limited circumstances.
- A member's designated beneficiaries after the member's death. Information relating to beneficiaries may be disclosed to other beneficiaries of the same member.
- The general public, but only after the board has been unable to locate the member for a period in excess of two years, and limited to the member's name and the fact that NDPERS has been unable to locate the member.
- Any person whom the NDPERS board determines disclosure is necessary for treatment, operational, or payment purposes, including the completion of necessary documents.

**A penalty for disclosure of confidential information is a Class C felony which includes a five-(5) year prison term and a \$5,000 fine (N.D.C.C. 12.1-13-01).**

## **WHEN CALLING THE NDPERS OFFICE**

While NDPERS staff makes every effort to take your calls and answer your questions immediately, it is not always possible to do so. In an effort to serve you more efficiently, we have a voice mail system. If it is necessary for you to leave a voice mail message, please provide the following information: your name, NDPERS Member ID and your last four digits of your social security number, telephone number, and a brief explanation about your call. If NDPERS staff has this information at the outset, we are able to address your concerns more quickly and efficiently the first time!

We also have a Member Service Unit who can assist you with general questions about NDPERS programs, including updates on program changes. The representatives will also take requests for forms, brochures, and benefit books. If you require additional services outside the scope of Member Services, the representative will be happy to transfer you to the staff member best qualified to assist you.

Our busiest times are the day after a holiday and the first week of every month. Calls are placed in queue and answered in the order they are received. If you place a call to us during these high volume periods, please be patient. Your call is important to us.

Remember all your benefit information is confidential. For your protection, staff cannot release benefit information to any party without first obtaining your written authorization or your Durable Power of Attorney, or upon being served with a subpoena. Although you may request information over the phone, only you may do so and only after you have provided the correct response to at least three of five criteria established by the NDPERS Board.

## **WHEN VISITING THE NDPERS OFFICE**

**Please make an appointment before stopping by the NDPERS office.** Although staff will accommodate walk-ins when possible, an appointment will ensure that someone is available to assist you at the time you arrive. An appointment also allows staff to prepare appropriate benefit information for your individual needs.

## **WHEN WRITING TO THE NDPERS OFFICE**

Always include your name, NDPERS Member ID number, and the last four digits of your Social Security Number on your correspondence.

## **NDPERS WEBSITE**

The address for the NDPERS Website is <https://ndpers.nd.gov/>

## **NDPERS E-MAIL ADDRESS**

The NDPERS address is [ndpers-info@nd.gov](mailto:ndpers-info@nd.gov)

## **NDPERS PERSLINK MEMBER SELF SERVICES**

You have the ability to access your individual account by logging into your NDPERS PERSLink Member Self Service.

## **GOVERNING AUTHORITY**

Pursuant to [NDCC 54-52-03](#), the NDPERS Board of Trustees is the governing authority of the Public Employees Retirement System (PERS) agency and the following plans:

Public Employees Retirement System (N.D.C.C. Chapter 54-52)  
Highway Patrol Retirement System (N.D.C.C. Chapter 39-03.1)  
Defined Contribution Plan (N.D.C.C. Chapter 54-52.6)  
Deferred Compensation Program (N.D.C.C. Chapter 54-52.2)  
Retiree Health Insurance Credit Program (N.D.C.C. Chapter 54-52.1-03.2)  
Uniform Group Insurance Program (N.D.C.C. Chapter 54-52.1)  
Flex-Comp Program (N.D.C.C. Chapter 54-52.3)  
Dental Plan (N.D.C.C. Chapter 54-52.1-04.7)  
Vision Plan (N.D.C.C. Chapter 54-52.1-04.7)  
Employee Assistance Program (N.D.C.C. Chapter 54-52.1-04.9)

# YOUR RETIREMENT PLAN

Employees of political subdivisions may participate in NDPERS if their governing boards elect to participate.

## **ELIGIBILITY**

If you are a correctional officer, peace officer or firefighter of a participating political subdivision, a peace officers employed by a state agency, National Guard security officer or firefighter, or employed by the Bureau of Criminal Investigations division of the Attorney General's office, you are eligible to participate in the applicable NDPERS Public Safety Defined Benefit Retirement Plan.

## **DEFINITIONS**

"Peace Officer" means a public servant authorized by law or government agency or branch to enforce the law and to conduct or engage in investigations of violations of the law.

"Firefighter" means a participating member who is employed as a firefighter by a political subdivision. The term does not include a firefighter employee of the North Dakota national guard.

"Correctional officer" means a person who has completed a correctional officer course approved/certified by the North Dakota Department of Corrections and Rehabilitation and is employed by a correctional facility as defined in the North Dakota Century Code Section 12-44.1.

1. Upon a group's initial enrollment in the Public Safety Plan, correctional officers not certified will remain in the Defined Benefit plan or current employer sponsored plan until such a time that they become certified. Once certified, the correctional officer will be given 180 days to either elect to join or waive participation in the Public Safety plan. If no election is made, the correctional officer will remain a member of the Defined Benefit or employer sponsored retirement plan.
2. All correctional officers hired after the date a group adopts the Public Safety retirement, upon completion of the certification, must be enrolled in the Public Safety plan.

If "Certificates of Training Achievement" are issued after completion of training, retirement contributions should be paid retroactive to the date indicated on the certificate.

"National guard security officer or firefighter" means a participating member who is either a security police or firefighter employee of the North Dakota National Guard.

## **Mandatory Participation Requirements**

If you work a minimum of 32 hours per week for twenty (20) or more weeks of the year, are at least eighteen years of age, filling an eligible permanent public safety position that is regularly funded and not of limited duration, you must participate in the Public Safety defined benefit plan.

You should be enrolled the first month of eligible employment, even when hired subject to a probationary period. There is no maximum age limit for enrollment purposes. A member enrolled in this plan is ineligible to participate concurrently in any other retirement plan administered by NDPERS.

## **Participation Requirements for Other (Non-State) Elected Officials**

Elected officials of participating counties, at their individual option, may enroll or waive participation in the defined benefit plan within the first six (6) months of their term. All other elected officials, who meet the above mandatory participation requirements, must be enrolled in the defined benefit plan within the first six (6) months of their term.

## **CONTRIBUTIONS**

NDPERS is funded by contributions from members, employers, and earnings from investments. The contribution rates for employees and employers are established in the North Dakota Century Code and are as follows:

**Permanent/Full-Time Employees** (Includes Mandatory Participants, Appointed Officials, and Elected Officials)

### **Political Subdivision Public Safety Employer Groups**

*(includes peace officers, correctional officers and firefighters)*

#### **Public Safety Plan *with* previous Main Plan Service:**

Employee Retirement Contribution	5.50%
Employer Retirement Contribution	11.40%
Employer Health Insurance Credit Contribution	1.14%

#### **Public Safety Plan *without* previous Main Plan Service:**

Employee Retirement Contribution	5.50%
Employer Retirement Contribution	9.16%
Employer Health Insurance Credit Contribution	1.14%

## State Public Safety Employer Groups

### State Public Safety Plan (includes state peace officers only):

Employee Retirement Contribution	6.00%
Employer Retirement Contribution	14.34%
Employer Health Insurance Credit Contribution	1.14%

### State National Guard security officer or firefighter:

Employee Retirement Contribution	5.50%
Employer Retirement Contribution	11.40%
Employer Health Insurance Credit Contribution	1.14%

### State Bureau of Criminal Investigation (BCI) Plan:

Employee Retirement Contribution (effective 1/1/25 8.00%)	7.00%
Employer Retirement Contribution	22.26%
Employer Health Insurance Credit Contribution	1.14%

Contributions are calculated as a percentage of your gross pay. It is possible for an employer to pay all or part of the employee contribution for permanent employees. The employer must treat all employees covered under NDPERS equally. Please refer to the glossary for a complete definition of **“Wages and Salaries”**.

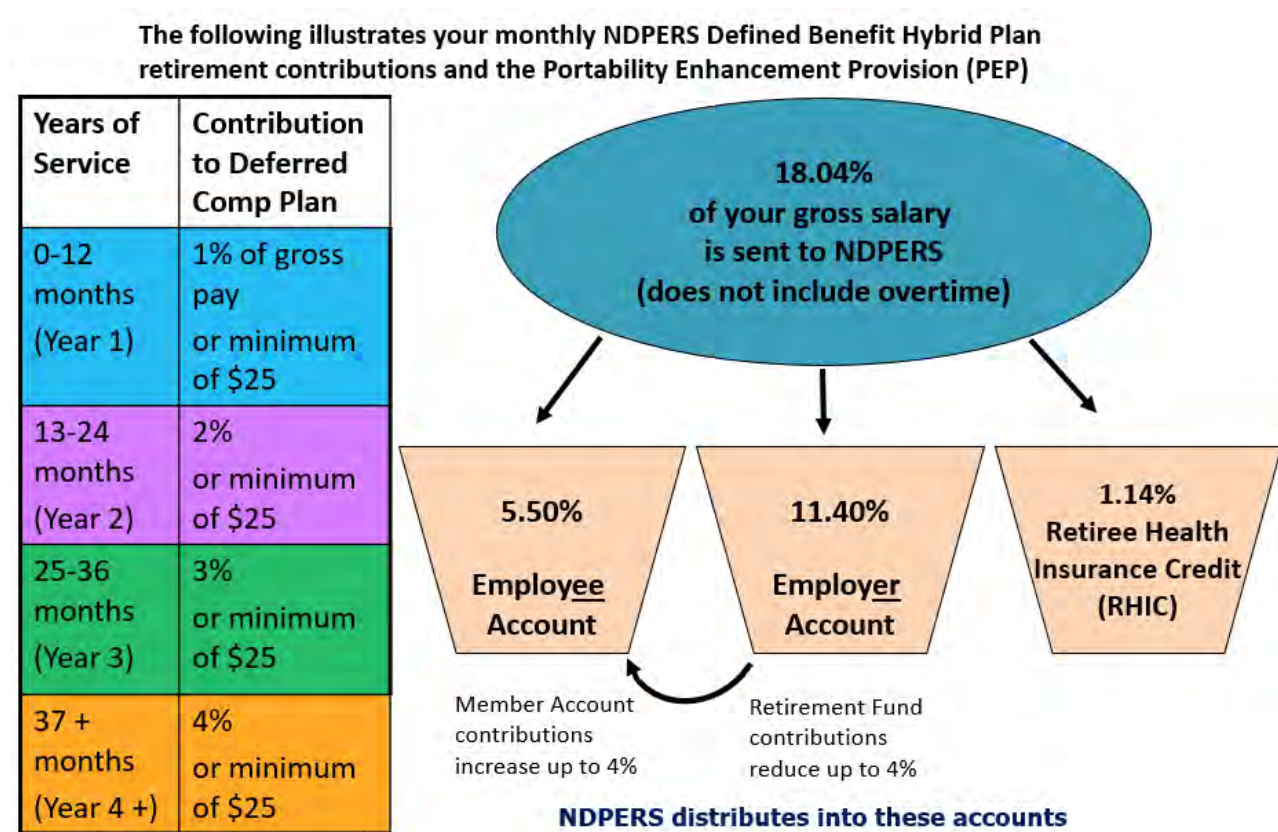

Employee contributions are automatically credited to individual member’s accounts. Employer contributions are paid into the retirement fund and retiree health insurance credit fund. It is possible for you to vest in the employer contribution (PEP) for cash distribution purposes. However, this vesting is not automatic and requires you to participate in a deferred compensation program approved by the retirement board.

## Portability Enhancement Provision (PEP)

The Public Employees Retirement System is a “defined benefit” plan, which allows members to compute their future retirement benefits from a mathematical formula as set forth in N.D.C.C. 54-52-17(4). Under this program, the employer contribution is paid to you in the form of monthly benefit payments and is not available for lump sum distribution purposes. However, effective January 1, 2000, a new feature was added which is designed to add portability to your plan. The Portability Enhancement Provision or “PEP” allows you to “vest” in the employer contribution for cash distribution purposes. This means that if you decide to leave employment, and do not elect to draw a pension from the system, you have the opportunity to take both the employee contribution and the corresponding PEP contribution out of the NDPERS system.

As an active member of the NDPERS program, you are able to vest in the employer contribution by participating in an approved Deferred Compensation Program.

The vesting schedule for “PEP” contributions is based upon your existing service credit in the retirement program and the amount you defer into an approved Deferred Compensation Program. See the following schedule for details:

If you participate in an approved Deferred Compensation Program through your employer, your member account balance will be automatically credited with the amount of employer contribution you have vested in each month. All contributions for each month are posted to the system the month following the month you earned them and are based upon information submitted to NDPERS by your payroll office. Interest on your member account balance is updated at the end of each month.

You are not required to participate in an approved deferred compensation program to vest in the defined benefit retirement program. However, if you do not participate, you will not be eligible for the PEP portion of your employers' contribution for lump sum distribution purposes. **For detailed information, read the "Portability Enhancement Provision" brochure.**

## **SERVICE CREDIT**

Service credit is an important aspect of your records because each additional month of credit can increase your monthly retirement benefits. Presently, you receive one month of service credit for each month that contributions are received by NDPERS on your behalf.

## **PURCHASE OF SERVICE CREDIT**

Eligible service credit may be purchased in specific cases. When you purchase service, you add to your total years of credited service, which increases the amount of your future monthly retirement benefit.

You may not claim service credit under NDPERS if the same years claimed can also qualify for retirement benefits from another retirement system.

You may elect to purchase all eligible months of service, or a portion thereof.

## **ADDITIONAL SERVICE CREDIT**

If you are a vested, active employee of a participating employer, you may purchase up to 60 months of additional service credit for the purpose of increasing your retirement and retiree health insurance benefits.

## **LEAVE OF ABSENCE**

If you are an active employee of a participating employer and are granted an employer approved leave of absence from your position, you will remain a member of NDPERS on inactive status. You will not receive service credit for any unpaid leave of absence

because no contributions will be made during that time. However, you may purchase service credit for a leave of absence upon returning to work.

### **LEGISLATIVE SERVICE**

If you are an active employee of a participating employer and you served as a member of the Legislative Assembly while a member of NDPERS, you may be eligible to purchase legislative service credit. Service credit must be purchased within one year after the adjournment of the legislative session.

### **MILITARY SERVICE**

If you are an active employee of a participating employer and served time in the military, you may be eligible to purchase up to 48 months of active duty service credit for retirement purposes.

### **USERRA**

Special provisions under the Uniformed Services Employment and Re-employment Rights Act (USERRA) may apply if your covered employment under NDPERS was interrupted because you were drafted or you enlisted for active service in the Armed Forces of the United States.

Upon return from active duty, you may be entitled to have your credit while on active duty recognized by NDPERS for vesting in retirement benefits and benefit eligibility purposes (i.e. meeting the Rule of 85). You may apply to NDPERS by submitting a written request for the above along with a photocopy of your DD214 form.

In addition, you have the option to purchase the service credit not accrued during the leave for the purpose of determining benefit calculation. Retirement credit may be granted for this purpose upon proper documentation and receipt of past contributions.

If application is made to your employer, then your employer is required to pay the employer portion of the retirement contributions in a lump sum on your behalf. Your employer is also required to pay any portion of the employee contribution in the same manner that it would have been paid had you not been activated. If your employer does not pay any or all of the employee contribution on behalf of its employees, then you are required to pay the employee contribution in order to receive the service credit.

The salary used in determining the cost to receive the credit must be based on the salary that would have accrued had you not been called into active duty rather than the salary you are earning at the time of inquiry. If the salary cannot be determined, then your average rate of compensation during the 12-month period immediately preceding your call to active duty should be used. The following applies to the payment of purchased credit:

The timeframe that you have to pay any required employee contributions to the plan is 3 times the period of active duty or 5 years, whichever is less. If you do not apply and/or purchase during this timeframe, then USERRA no longer applies. You would have to pay an actuarial cost to receive the service credit.

If you choose to make installment payments to the plan to purchase the service, the plan cannot charge interest on the unpaid balance.

If you choose to purchase the service and begin payment, NDPERS will send a bill to your present employer for the required employer contributions. These contributions must be paid by the employer in a lump sum. As part of this billing, if any of the employee contributions are employer paid, they will be included.

Upon receipt of the “**Purchase Agreement for USERRA Covered Military Active Duty SFN 17758**”, NDPERS will compute the cost to receive the credit and will send written notification to you and/or your employer.

### **PREVIOUS PUBLIC EMPLOYMENT**

If you have previous public employment as a permanent employee for which you are not receiving retirement credit, you may purchase this past service. The following are eligible types of previous public service that may be eligible:

- Service credit in NDPERS defined benefit system that was forfeited by taking a refund/rollover.
- Employment by a political subdivision participating in NDPERS which your employer did not purchase upon joining NDPERS.
- Employment with a public employer either within or outside the state of North Dakota.
- Employment with the Federal government.

## **UNUSED SICK LEAVE CONVERSION (PURCHASE)**

At termination of eligible employment, you may convert all or part of your sick leave (as certified by your employer) into service credit. One month of service credit will be awarded for each 173.3 hours of unused accumulated sick leave. Hours of sick leave equal to a fraction of a month are deemed to be a full month.

Special provisions apply for members transferring from one participating employer to another without terminating eligible employment. NDPERS will record unused sick leave of a participating member if the new employer certifies that it will not transfer that leave. The certification must include documentation from the previous employer detailing the number of hours of sick leave. See the “**Notice of Transfer**”. NDPERS must receive the certification within sixty days after the member leaves employment with the former employer.

Conversion of sick leave is optional and does not affect any employer lump sum sick leave payment policies.

## **HOW TO APPLY FOR PURCHASE**

Complete and submit a “**NDPERS Request for Purchase Information SFN 53718**” to the NDPERS office. You will be contacted if additional information or service documentation will be required. A written response containing the cost of purchase will be sent to you within 60 days of NDPERS receiving the request form. Any cost estimate provided expires 90 days from the date the response is generated.

## **COST OF PURCHASE**

The cost to obtain all additional service credit, with the exception of unused sick leave conversion, will be determined through an actuarial cost calculation. The components used to determine the cost calculation are: 1) your date of birth, 2) your current final average salary, 3) the age when you are first eligible for unreduced retirement benefits, 4) number of months being purchased, 5) the plan’s current benefit multiplier, and 6) current retiree health insurance credit.

## **COST OF NDPERS REFUNDED SERVICE**

You must pay an amount equal to the greater of the actuarial cost, or the amount you received as a refund, plus interest at the actuarial rate of return from the time you were issued the refund.

## **COST OF CONVERTING (PURCHASING) UNUSED SICK LEAVE**

At termination, you may purchase all or part of your sick leave for retirement service credit. One month of service credit may be purchased for each 173.3 hours of unused sick leave.

The cost to purchase sick leave is determined by taking the Employee & Employer Retirement & Health Insurance Credit Contribution Rates (See Page 10 & 11) times your Final Average Salary and times the number of months being converted. The final payment amount will be calculated by NDPERS after your termination. Payment can be made either on an after-tax basis through personal check or pre-tax basis through direct rollover/transfer. To elect to convert your sick leave, the **“Conversion of Unused Sick Leave Application – Defined Benefit SFN 58358”** must be completed. Please review the terms on the conversion application carefully. The sick leave payment must be paid by the 15th of the month following the month of termination.

## ***Payment Provisions for Purchase***

### **PRE-TAX PAYMENTS**

State of North Dakota employees have the option of making monthly payroll deductions towards the purchase contract on a pre-tax basis. Employees of participating Political Subdivisions have this option if their employer has elected to sign an Employer Agreement making this available to their employees. If available, an **“Irrevocable Salary Reduction Agreement for Purchase of Service Credit SFN 54004”** must be completed by you and NDPERS prior to deductions being made on a pre-tax basis.

The IRS requires strict compliance in order to allow the Plan to accept purchase payments through pre-tax payroll deductions. The deduction must be made on a monthly basis for a specific dollar amount and for a specific time period (the length of the purchase contract). The amount of the deduction cannot be increased, decreased, or suspended at any time unless due to the employee's termination, retirement, disability or death. Also, supplemental payments cannot be made towards the purchase contract and you will be required to make a lump sum payment for the retiree health insurance credit portion of the purchase prior to entering into the irrevocable salary reduction agreement.

By electing this option, simple interest will accrue annually on the unpaid balance. This interest will be taken into consideration when your “Irrevocable Salary Reduction Agreement” is prepared by NDPERS.

All payments must be received by NDPERS prior to the 15th of the month to ensure your account has been credited for that month.

### **AFTER-TAX PAYMENTS**

Unless you are eligible for a direct rollover/transfer contribution or have completed an **“Irrevocable Salary Reduction Agreement”**, purchase payments must be paid as an after-tax employee contribution. Payments can be made in a lump sum or on an installment basis. Payments may be made on a monthly, quarterly, semi-annual, or annual basis. However, the minimum monthly payment cannot be less than \$50, must be large enough to pay the current interest plus a portion of principal, and be an amount necessary to complete the contract while employed within a 15 year time period. If you choose, you can make a down payment and make payments on the remaining balance. If the installment method is selected, simple interest will accrue annually on the unpaid balance. There is no penalty assessed if you choose to pay off your purchase contract early.

Some employers have the capability to set up an automatic after-tax payroll deduction. Please check with your payroll office to make these arrangements.

All payments must be received by NDPERS prior to the 15th of the month to ensure your account has been credited for that month. Payments 30 days late are considered delinquent and may result in the closing of your account.

### **PAYMENT PROVISIONS FOR CONVERSION (PURCHASE) OF UNUSED SICK LEAVE**

Payment for the conversion of unused sick leave will be calculated by NDPERS upon receiving proper verification from your payroll office after date of termination/retirement. Payment must be made by the 15<sup>th</sup> of the month following the month of termination and before you receive a retirement annuity. Payments can be made to NDPERS as an after-tax payment through a personal check or as a pre-tax payment through a direct rollover or trustee-to-trustee transfer of an eligible fund towards the retirement portion of the sick leave conversion.

### **PAYMENT BY DIRECT ROLLOVER OR TRANSFER OF ELIGIBLE FUNDS**

Under limited circumstances, you may apply to roll over an account from another eligible plan for the purpose of purchasing service credit. Pursuant to IRS requirements, your funds must be certified by the financial institution as **pre-tax dollars** and must come from a 401(a), 401(k), 403(b), 457, traditional IRA, Federal Employee Retirement System Thrift Savings Plan, or 401(c) Keogh plan whose deposits came only from a qualified 401(a) or (k). The amount rolled over to NDPERS may not exceed the cost to purchase the retirement benefit portion of the purchase and must be made in a lump

sum. You must also make a personal payment in a lump sum for the retiree health credit portion of the purchase.

As a general rule, the Plan/Provider Company may take up to 30 days to process your request for a trustee-to-trustee transfer of funds. It is your responsibility to ensure the transfer of funds is accomplished within the 90 day cost quote time limit. **Therefore, you should follow-up with your plan/company as soon as possible and no later than 60 days from the date you receive the cost quote letter.** Please contact your Plan/Provider representative regarding possible exit fees and/or penalties and to determine the amount of funds available for rollover.

### **FEDERAL LIMITATIONS**

Your payments for purchase or sick leave conversion may be subject to limitations established under Internal Revenue Code Section 415. This may limit the amount of service you are allowed to purchase or convert from sick leave. NDPERS will notify you if it has determined that federal limits apply to your purchase payment(s).

## **VESTING**

To be vested in a defined benefit program means that you have become legally entitled to a monthly benefit from NDPERS when you reach retirement age (meet “Rule” or attain 55 years of age for unreduced benefits) and terminate employment.

### **Public Safety, National Guard, and BCI agents hired before August 1, 2023**

- vest upon 36 months (3 years) of eligible NDPERS service credit

### **BCI agents hired on or after August 1, 2023**

- vest upon 120 months (10 years) of eligible NDPERS service credit

See “Portability Enhancement Provision (PEP)” section for additional information on vesting for cash distribution purposes.

## **DUAL MEMBERSHIP**

Service credit you may have earned in six other North Dakota state sponsored retirement plans can be combined with your NDPERS credit for purposes of achieving the “Rule of 85”. These retirement plans are:

1. Defined Benefit Plan – Main System (NDPERS)
2. Highway Patrol Retirement System (NDHPRS)
3. Judicial Retirement System (NDPERS)
4. ND Teachers Fund for Retirement (TFFR)
5. Teachers Insurance and Annuity (TIAA) (coverage through the North Dakota University System only)

Eligibility for retirement benefits will be based on the length of service in all plans in which you have an account. However, at retirement, dual members with NDPERS, NDTFFR, or NDHPRS will be given the option of receiving their retirement benefits from the retirement systems under one (1) of the following calculations:

1. Each retirement system will use its final average salary (FAS) formula and all the service credit earned in its system; or
2. The retirement systems will combine salaries to create the FAS. However, the service credit recognized cannot exceed one (1) year in any fiscal year. If

overlapped service credit occurs, only one (1) of the retirement systems will recognize the credit.

If a dual member elects to receive retirement benefits from one plan while still contributing to another retirement system (if eligible), the FAS, service credit, and member's age used to calculate the benefit may not be adjusted after the benefit effective date.

## **BENEFITS AVAILABLE AT TERMINATION**

To be eligible for the following benefits, you must terminate employment or terminate membership. "Termination of employment" means a severance of employment by not being on the payroll of a covered employer for a minimum of one month. Approved leave of absence does not constitute termination of employment. "Termination of participation" means termination of eligibility to participate in the retirement plan.

## **MEMBER ACCOUNT BALANCE OPTIONS**

Your member account balance consists of the monthly employee contributions, the vested portion of your employer contributions, and interest. This interest is compounded monthly up to the time you receive a refund/rollover of your account or begin receiving a monthly benefit. The interest paid on your account is based on an actuarial rate of return established by the Board and builds on a tax deferred basis. If you take a refund or rollover, your retirement funds will not be available until you have been off covered payroll for approximately 60-90 days, subject to **tax notification** requirements.

### **Option 1**

You can choose to have your Member Account Balance paid directly to you. If you choose this option, only 80 percent of the taxable amount of your Member Account Balance is payable to you because NDPERS is required to withhold 20 percent of the payment for federal tax purposes. In addition, if you are under age 59 1/2, you may be subject to an additional 10 percent penalty for early withdrawal. If you elect this option, you will need to complete the "Refund/Rollover Forms".

### **Option 2**

*Note: Be sure to check to see if the employer plan or IRA will accept a rollover from a 401(a) plan.*

You can choose to have all or a portion of your Member Account Balance directly rolled over into a traditional IRA or an eligible employer plan. Any taxable amount not rolled over will automatically be mailed to you and subject to the taxes indicated in “Option 1”. The rolled over portion would not be taxed until such time when you take it out of the traditional IRA or eligible employer plan.

If you elect to have any non-taxable portion of your member account balance rolled over, it is a requirement that NDPERS receive a letter of acceptance from the traditional IRA or employer plan prior to the distribution being made. The letter of acceptance must indicate that the institution will accept the funds, including any after-tax contributions (non-taxable income), and will provide separate accounting for those amounts rolled over. If a letter of acceptance is not received within 6 (six) months of the rollover request, NDPERS will initiate a rollover on only the taxable portion to the institution. The remaining non-taxable income will be sent to you.

If no election is made regarding the amount to be rolled over, then NDPERS will automatically rollover the taxable portion only. Any remaining non-taxable income will be sent to you. If you elect this option, you will need to complete the **“Refund/Rollover Forms”**.

### Option 3

Whether vested or not, you can leave your Member Account Balance intact with NDPERS and take a refund or rollover at a later date. If you elect this option, you will need to complete the **“Deferred Retirement Forms”**.

**If you are not vested, your account balance is less than \$1000, and you do not indicate you wish to leave your account intact, you will be issued a refund automatically upon termination.**

### Option 4 [This option is only available for vested members]

You can elect a Deferred Vested Benefit. Under this option, you leave your account with NDPERS and elect to receive a monthly benefit at a later date. The earliest age a member can begin to receive a monthly benefit is age 55 or Rule of 85, whichever happens first.

Under the Deferred Vested Benefit Option, monthly benefits should begin no later than age 55 with three (3) years of eligible service or the Rule of 85, whichever happens first.

Interest continues to compound on your Member Account Balance until you begin receiving a monthly benefit. If you choose this option, you will need to complete the **“Deferred Retirement Forms”**. Please refer to the “Benefits at Retirement” section for more information.

## **ADMINISTRATIVE REQUIREMENTS FOR REFUNDS/ROLLOVERS**

Upon termination of employment, you and your employer must complete and file the **“Refund/Rollover Forms”** with NDPERS. Refunds and direct rollovers will not be issued until you have been off your employer’s payroll system for approximately 60 to 90 days, subject to tax notification requirements. By receiving a refund/rollover distribution of your member account balance, you forfeit all service credit to the date of the distribution as well as:

- Retirement Benefits
- Disability Benefits
- Non-Vested Employer Contributions
- Retiree Health Credit
- Health Insurance Coverage
- Dental Insurance Coverage
- Vision Insurance Coverage

If you become re-employed with a participating employer before 31 days have passed, no refund or direct rollover will be issued and your retirement account will pick up where it left off with your previous employment. If you are transferring to another job where you will be covered by one of the other state sponsored retirement plans, see **dual membership** provisions.

## **DISABILITY RETIREMENT BENEFITS**

### **DISABILITY BENEFIT ELIGIBILITY**

After you have accumulated 6 (six) months of service credit in NDPERS, you are covered under the Plan's Disability Retirement program. To be eligible for NDPERS disability retirement benefits the following must apply:

- Your disability must have occurred during a period of eligible employment.
- You must be unable to engage in any substantial gainful activity due to a medically determinable physical or mental impairment expected to result in death or which will or has lasted for a continuous period of not less than 12 (twelve) months.
- You must submit the "Disability Retirement Forms" to the NDPERS office within 12 (twelve) months of termination of employment due to disability.
- You must be determined to be disabled by the NDPERS' medical advisor who is responsible for making disability eligibility determinations for the Board. In lieu of a review by the NDPERS' medical advisor, a member who qualifies for Social Security Disability benefits and submits the "Disability Retirement Forms" with a copy of the Social Security Notice of Award, may be deemed eligible for NDPERS disability benefits without requiring a determination from the medical advisor. The Social Security Notice of Award must provide proof that the member's disability was determined during his/her period of eligible employment. Eligibility for disability benefits will be subject to ongoing recertification requirements as specified by the NDPERS' medical advisor.

### **DISABILITY BENEFIT PAYMENTS**

If you are deemed eligible for NDPERS disability benefits, you will receive 25 percent of your final average salary each month for as long as you are disabled under the Single Life payment option. This payment will not be reduced by any other benefits you may be receiving as a result of your disability. Payment will be retroactive to the first of the month following your termination date or last pay date, whichever is later.

**Example:    *For an employee with a final average monthly salary of \$3,000***  
***25% of \$3,000 = \$750 Monthly Single Life Disability Payment***

Your disability benefit is funded by your employer's contributions. Payment of a disability benefit does not reduce your member account balance until you are age 65.

## **DISABILITY APPLICATION PROCEDURE**

You must submit the “Disability Retirement Forms” to the NDPERS office **within 12 (twelve) months of termination due to disability**.

When applying for disability, individuals who are vested and at least 50 years old should also apply for early retirement benefits. This will allow NDPERS to begin paying you under Early Retirement provisions of the plan while your disability application is being processed.

Applications for disability or early retirement benefits may be submitted to the NDPERS office up to four (4) months prior to your termination of employment.

If the medical advisor determines you are permanently and totally disabled according to this program, NDPERS may pay you the greater of either the Early Retirement benefit or the Disability benefit. Your disability status may also impact your retiree health credit.

## **RECERTIFICATION OF DISABILITY ELIGIBILITY**

A disabled annuitant’s eligibility must be recertified within eighteen (18) months after the first check is issued and thereafter as specified by the medical consultant. NDPERS will send an “**Application for Recertification of Disability Retirement Benefits SFN 50149**” and a “**Statement of Annual Earnings for Disability Annuitants SFN 53157**” to the disabled annuitant to be completed and returned to NDPERS prior to the recertification date.

## **DISABILITY PAYMENT OPTIONS**

### **Single Life**

This amount is payable to you for as long as you are disabled. Under this option, there is no monthly income provision for your beneficiary. However, if you should die while receiving disability benefits, your beneficiary will get a lump sum payment of the amount in your member account balance, if any.

### **50% Joint and Survivor**

This amount is payable to you for as long as you are disabled, but is actuarially reduced based upon your age and the age of your spouse. In the event of your death, your spouse will receive 50 percent of your monthly disability benefit amount for the rest of his/her life. In the event your spouse predeceases you, or in the event of a divorce, your benefit will be adjusted back to the Single Life disability option amount upon receipt of your spouse’s Certificate of Death or a photocopy of the divorce decree.

### **100% Joint and Survivor**

This amount is payable to you for as long as you are disabled, but is actuarially reduced based upon your age and the age of your spouse. In the event of your death, your

spouse will receive 100 percent (the same amount as you were receiving prior to death) of your monthly disability benefit amount for the rest of his/her life. In the event your spouse predeceases you, or in the event of a divorce, your benefit will be adjusted back to the Single Life disability option amount upon receipt of your spouse's Certificate of Death or a photocopy of the divorce decree.

#### *Twenty (20) Year Term Certain*

This amount is reduced based upon actuarial factors and is payable to you for as long as you are disabled. If you die within the first twenty years of your disability retirement, your beneficiary will continue to receive monthly payments of the same amount until the end of the twenty-year period. If you die after receiving benefits for twenty years, there will be no payments made to your beneficiary.

#### *Ten (10) Year Term Certain*

This amount is reduced based upon actuarial factors and is payable to you for as long as you are disabled. If you die within the first ten years of your disability retirement, your beneficiary will continue to receive monthly payments of the same amount until the end of the ten-year period. If you die after receiving benefits for ten years, there will be no payments made to your beneficiary.

### **REVIEW PROCEDURE**

A member who receives notice that his or her application for disability benefits or recertification of benefits is denied may request a review of the decision. A written request for review must be received in the NDPERS office within 60 days of the member receiving a denial notice.

### **PRE-RETIREMENT DEATH BENEFITS**

Death benefits for members who die prior to retiring are covered in the "Death Benefits" section. In the event a member who is applying for disability benefits passes away prior to receiving benefits, the provisions covered in the "Death Benefits" section will apply.

## **BENEFITS AT RETIREMENT**

The Public Employees Retirement System is a “defined benefit” plan, which allows members to compute their future retirement benefits from a mathematical formula as set forth in N.D.C.C. 54-52-17(4).

Regardless of the earnings performance of the funds, you or your beneficiaries are guaranteed to receive no less than your member account balance. This amount is referred to as your minimum guarantee.

Your NDPERS defined benefit is based on the following calculation:

$$\begin{array}{ccccc} \text{Final Average} & \times & \text{Benefit} & \times & \text{Years of} & = & \text{Monthly Single Life} \\ \text{Salary} & & \text{Multiplier} & & \text{Service Credit} & & \text{Retirement Benefit} \end{array}$$

***Final Average Salary*** is calculated as the higher of one of the following:

- average of your highest 36 salaries of the last 180 months worked calculated on December 31, 2019
- average of your highest three 12-month consecutive periods of the last 180 months employed

***Benefit Multiplier*** is the rate established by the legislature, at which you earn benefits.

Main, Public Safety, and National Guard Plan:

2.00% if first enrolled in NDPERS prior to 1/1/2020

1.75% if first enrolled in NDPERS on or after 1/1/2020

BCI Plan (*effective 8/1/2023*):

3.00% of final average salary for the first 20 years

1.75% of final average salary for excess of 20 years

***Service Credit*** is the amount of public service you have accumulated under NDPERS for retirement purposes. Your credited service is reported to you each August in your Annual Statement of Account.

## **EARLY RETIREMENT**

You are eligible to retire and draw benefits as early as age 50 under early retirement provisions. If you begin drawing retirement benefits before you are age 55 or meet the Rule of 85, your retirement benefit will be reduced by one-half of one percent (.005) for each month in which you are less than age 55 or would have met the Rule of 85, whichever occurs first. This amounts to a reduction of 6 percent per year from your single life retirement benefit.

## **NORMAL RETIREMENT**

Pursuant to N.D.C.C. 54-52-17(3), normal retirement date is age 55 or when you reach the Rule of 85, whichever happens first, with three (3) years of eligible service. After you reach the normal retirement date, you can retire anytime with full benefits. Keep in mind, full benefits = Final Average Salary x Benefit Multiplier x Years of Credited Service.

## **RULE OF 85**

If your age plus your years of service credit added together equal 85 or more, you can retire prior to age 55 without receiving any reduction in your monthly benefit. There is no minimum age requirement. If you meet the Rule of 85 before age 55, you are eligible to retire and begin your monthly payments. You may count years of service while participating in six other North Dakota state sponsored retirement plans towards years of service necessary to meet the Rule of 85. See the **dual membership** section.

## **TAXATION OF BENEFITS**

Annuity benefits are subject to federal and state income tax. Taxes will be withheld monthly pursuant to current tax withholding tables, unless you elect otherwise. The taxable portion of your benefit is calculated using the simplified general rule (IRS Publication 575 "Pension and Annuity Income").

## **PAYMENT OF BENEFITS**

Eligibility for benefits will be effective on the first day of the month following your last date of service or last date of pay, whichever is later. The first benefit payment will be made on the first working day of the month following the eligibility date. However, if you deferred your benefits, your benefit effective date is the first day of the month following the month your application process has been completed. See the “**Administrative Requirements for Monthly Benefits**” section.

## **RETIREMENT PAYMENT OPTIONS**

There are several different payment options to choose from when you elect to start receiving monthly benefits. Keep in mind, each of the payment options available will pay you, the member, for as long as you live. These payment options only differ in how they pay your beneficiary in the event of your death and in the actuarial reduction necessary to provide these benefits to your beneficiary.

All payment options, with the exception of the Partial Lump Sum Option, Graduated Benefit, and Deferred Normal Retirement Option, are available at both early and normal retirement ages. It is possible you may receive much more than your minimum guarantee in monthly retirement benefits depending on your life span and the retirement option you choose. Your member account balance is reduced by each monthly benefit payment you receive.

### **Single Life**

This amount is payable to you for as long as you live. There is no monthly income provision for your beneficiary under this option. However, if you should die while receiving retirement benefits, your beneficiary will get a lump sum payment of the remaining amount in your member account, if any.

### **50% Joint and Survivor**

This amount is payable to you for as long as you live but is actuarially reduced based upon your age and the age of your spouse. In the event of your death, your spouse will receive 50 percent of your monthly retirement benefit amount for the rest of his/her life. In the event your spouse predeceases you, or in the event of a divorce, your benefit will be adjusted back to the Single Life option amount upon receipt of your spouse's Certificate of Death or a photocopy of the divorce decree.

### **100% Joint and Survivor**

This amount is payable to you for as long as you live but is actuarially reduced based upon your age and the age of your spouse. In the event of your death, your spouse will receive 100 percent (the same amount as you were receiving prior to death) of your monthly retirement benefit amount for the rest of his/her life. In the event your spouse predeceases you, or in the event of a divorce, your benefit will be adjusted back to the Single Life option amount upon receipt of your spouse's Certificate of Death or a photocopy of the divorce decree.

### **Twenty (20) Year Term Certain**

This amount is reduced based upon actuarial factors and is payable to you for as long as you live. If you die within the first twenty (20) years of your retirement, your beneficiary will continue to receive monthly payments of the same amount until the end of the twenty (20) year period. If you die after receiving benefits for twenty (20) years, there will be no payments made to your beneficiary. **(This option is not available to members age 79 and over.)**

### **Ten (10) Year Term Certain**

This amount is reduced based upon actuarial factors and is payable to you for as long as you live. If you die within the first ten (10) years of your retirement, your beneficiary will continue to receive monthly payments of the same amount until the end of the ten (10) year period. If you die after receiving benefits for ten (10) years, there would be no payments made to your beneficiary.

You also may elect as to receive **one** of the following retirement benefit modifications:

### **Partial Lump Sum Option (PLSO)**

This option is only available to members who retire at or after their full retirement date. This option is not available to members who select the Social Security Level Income option, members receiving disability benefits, or to beneficiaries of deceased members. This option allows you to take a partial lump sum distribution equal to 12 monthly payment of the Single Life option and is payable at the same time as your first monthly retirement benefit. You will still be eligible to select a Joint and Survivor or Term Certain option as your ongoing retirement benefit. The ongoing retirement benefit will be actuarially reduced in exchange for the partial lump sum payment.

The lump sum payment will be eligible to rollover to a traditional IRA or another eligible employer plan. If not rolled over, the lump sum is taxed as ordinary income and subject

to automatic 20 percent federal withholding. If you are under age 59½, you may be subject to a 10% penalty tax for early withdrawal.

### **Graduated Benefit Option:**

This option allows members who retired March 1, 2011 or later to select the graduated benefit as either a one percent or two percent annual benefit increase. If they make this election, the member's monthly annuity would be actuarially reduced. Members would still be permitted to choose one of the optional forms of payment for their annuity benefit (e.g. the reduced annuity would be paid as a joint and survivor or term certain option). The amount of the reduction will depend on the retiree's age.

### **Deferred Normal Retirement Option (DNRO)**

This option will only be available to members who retire after reaching normal retirement date. This option is an irrevocable election and made at initial application for retirement. The payment is in lieu of a lump sum equal to the amount of missed payments, without interest, retroactive to the member's normal retirement date. Members would still be permitted to choose one of the optional forms of payment for their annuity benefit (e.g. the reduced annuity would be paid as a joint and survivor or term certain option). The ongoing benefits will be actuarially increased to reflect the lump sum.

Below are the limitations of who can elect the option and exclusion for benefit modifications:

1. Limits the option to members retiring on or after their Normal Retirement Date as set by statute,
2. Excludes disability and early retirees, beneficiaries of deceased members,
3. Requires that the option be a one-time, irrevocable election that is made at the time of the member's retirement, and
4. Excludes the benefit in combination with a PLSO, Graduated, or DNRO benefit option.
5. Excludes the benefit in combination with a PLSO or Graduated benefit option.

## **ADMINISTRATIVE REQUIREMENTS FOR MONTHLY BENEFITS**

You must complete a “**Retirement Forms Packet**” and send it to NDPERS within 30-60 days prior to retirement. In accordance with laws governing processing retirement benefits, NDPERS must receive an “**Application for Retirement Benefits SFN 2562**” and appropriate legal documentation at least 31 days before retirement or before the distribution of the first retirement check. If documents are ***filed*** too late, the payment will be delayed.

## **CHANGING RETIREMENT BENEFIT OPTION AFTER RETIREMENT**

Once you elect your benefit option and start drawing a pension, the election becomes irrevocable. The only exception is if you are drawing benefits under a Joint & Survivor benefit option and your spouse predeceases you or in the event of a divorce. Upon receipt of appropriate documentation of the death or divorce decree, NDPERS will change the Joint & Survivor benefit option to a Single Life option.

## **BENEFITS & RETURN TO WORK**

To be eligible for benefits, you must terminate employment or terminate membership. "Termination of employment" means a severance of employment by not being on the payroll of a covered employer for a minimum of one month (31 days). This period is determined by counting 31 days from your final regular payroll payment to the date you begin actual employment (first day of work) with a new NDPERS participating employer.

Approved leave of absence does not constitute termination of employment.

"Termination of participation" means termination of eligibility to participate in the retirement plan.

### **Refunds/Rollovers and Return to Work**

If you applied for a refund/rollover distribution of your member account balance, you must be off all covered NDPERS employer payroll(s) for at least 31 days to meet eligibility and your distribution will occur within 60-90 days.

Your termination must be bona fide. This means there is no indication that you will return to NDPERS-covered employment as of the date of your termination. NDPERS does not permit in-service distributions.

If you become re-employed with any NDPERS-covered employer prior to being in receipt of your distribution, no refund/rollover will be issued. The meaning of "covered employer" is any NDPERS-affiliated employer in the NDPERS retirement program, whether you are in a contributing or non-contributing status. If returning to any NDPERS-covered employer, your application will be cancelled and your retirement account will pick up where it left off with your previous employment. If you subsequently receive a distribution, you may be required to repay any refund or direct rollover you receive with interest.

- If you are transferring to another job where you will be covered by one of the other state sponsored retirement plans, this does not constitute a termination of employment, see **dual membership** provisions. You are not eligible to apply for a refund/rollover distribution.

### **Retirement and Return to Work**

**If you are a retiree employed for 20 or more hours a week for 20 or more weeks per year in any permanent position with a NDPERS participating employer, your retirement benefit will be suspended.** Under NDCC 54-52, you are not eligible to receive a retirement benefit payment while being permanently employed with a NDPERS participating employer (See "**Overpayment of Benefits**" section). Upon termination of your subsequent employment, you may resume retirement benefits. Your initial monthly retirement benefit will be combined with your calculated subsequent

retirement benefit current service. Your benefit attributable to any return to work period shall be based upon service and earnings attributable to the return to work period only.

- a) As a retiree meeting Normal Retirement provisions, if you return to **any permanent eligible employment with a NDPERS participating employer, your hours of employment must be restricted** if you wish to continue receiving your pension payment. As an eligible employee, your permanent employment must be limited to less than 20 hours per week so eligibility for any NDPERS retirement plan (including all plans under NDCC 54-52) is not obtained. If you are a retiree that elected an early retirement option, you are required to be off all covered payroll for 31 days from either your last day worked or your last paycheck, whichever is later.

**ACTION REQUIRED:** You complete the “[Optional Participation for Defined Benefit Retirement Plan SFN 17627](#)” in the [New Hire Form packet](#).

- b) As a retiree meeting Normal Retirement provisions, if you return to **temporary employment** with a NDPERS participating employer, your hours of employment do not need to be restricted if you wish to continue receiving your pension payment. If you are a retiree that elected an early retirement option, you are required to be off all covered payroll for 31 days from either your last day worked or your last paycheck, whichever is later.

**ACTION REQUIRED:** You must complete the “[Optional Participation for Defined Benefit Retirement Plan SFN 17627](#)” in the [New Hire Form packet](#).

- c) **If you are a retiree meeting Normal Retirement provisions and become reemployed with a different NDPERS participating employer** than the employer with which you were employed at the time you retired, you may, before reenrolling in the retirement plan, elect to permanently waive future participation in the Defined Benefit Retirement plan and the Retiree Health Insurance Credit program to maintain your ongoing monthly retirement benefit. If you make this election you are not required to make any future employee contributions to NDPERS nor is your employer required to make any further contributions on your behalf. If you are a retiree that elected an early retirement option, you are not eligible for this return to work waiver option and your monthly retirement benefits will be suspended.

**ACTION REQUIRED:** You must contact the NDPERS office to confirm your eligibility and complete an irrevocable “[Retirement Plan Membership Waiver SFN 54286](#).” (This waiver is not available on the NDPERS website nor is this option available to early retirees.)

Under N.D.C.C. 54-52-01(8), a "Governmental unit" means the state of North Dakota, except the highway patrol for members of the retirement plan created under chapter 39-03.1 or a participating political subdivision thereof. Therefore, North Dakota state agencies are considered one employer group and any member retiring with one state agency and becoming reemployed with another state agency **would not be eligible** for this return to work provision.

The following retired members may be eligible for this provision:

<u>Past Employer</u>	<u>New Employer</u>
State	Political Subdivision
Political Subdivision	State
Political Subdivision	Political Subdivision

#### Disability Retirement and Return to Work

As a disability retiree, if you return to **any permanent** full-time eligible employment with a NDPERS participating employer, your disability benefits must be suspended. You are not eligible to receive a disability retirement benefit while permanently employed with a NDPERS participating employer. (See “**Overpayment of Benefits**” section). If you are not able to continue employment for a consecutive period of time resulting in nine (9) months of service credit as a result of the disability and continue to meet the eligibility requirements under the plan, you may resume disability.

If you return to substantial gainful activity in employment not covered under NDPERS, your disability benefit may continue for up to nine (9) consecutive months. If you are not able to continue employment for at least nine (9) months as a result of the disability and continue to meet the eligibility requirements under the plan, you may continue disability status.

#### **Overpayment of Benefits**

The laws governing NDPERS state that a person who receives an overpayment is liable to refund those payments upon receiving an explanation and a written request for the amount to be returned. Pursuant to that section, a member may be charged six (6) percent interest on the unpaid balance until the balance is paid in full. NDPERS executive director must approve any proposal made.

## RETIREE HEALTH INSURANCE CREDIT PROGRAM

Pursuant to N.D.C.C. 54-52.1-03.2, your employer contributes 1.14 percent of your gross monthly salary to the retiree health insurance credit program. The Retiree Health Insurance Credit Program offers you a credit to receive reimbursement of premiums you pay for upon retirement. This credit can only be used if you are drawing a monthly NDPERS benefit payment. **Your RHIC may be used for any after-tax health and/or prescription drug premium expense, as well as for any dental, vision, or long term care premium expense effective August 1, 2019.**

RHIC is calculated as \$5.00 for every year of retirement service credit, subject to reduction for early retirement (see table on next page for age reduction factors). Your retiree insurance credit will not be reduced if you are age 65, meet the “Rule” or are receiving NDPERS Disability retirement benefits.

For instance, if you are 55 years old at retirement and have 30 years of service, you will receive \$150 towards your NDPERS health insurance because you meet your Normal retirement date. However, if you are 50 and have 29 years of service, your retiree health insurance credit will be \$105.85 (29 x \$5.00, reduced by 73 percent age reduction).

If you are enrolled in NDPERS sponsored insurance coverage, NDPERS will bill you for the full premium amount or deduct the full premium amount from your bank account or pension check each month. Then, NDPERS will substantiate your monthly premium amounts and the third party administrator will reimburse you up to your eligible monthly RHIC amount.

If you are enrolled in non-NDPERS sponsored health or prescription drug coverage, you will need to provide documentation of eligible insurance premiums and proof of payment to the third party administrator.

### **COMBINING RETIREE HEALTH INSURANCE CREDITS**

Effective August 1, 2007, spouses who each have retiree health insurance credit may apply to combine their credits and apply the combined credit to the required monthly premiums under the NDPERS Dakota Plan.

A “**Request to Combine Retiree Health Insurance Credits - SFN 58591**” must be completed and submitted to NDPERS prior to the 15<sup>th</sup> of the month to be effective for the following month.

## **REDUCTION FACTORS**

<b>Age at Retirement</b>	<b>Reduction Factor</b>
54 to 55	3%
53 to 54	9%
52 to 53	15%
51 to 52	21%
50 to 51	27%

## **RETIREE HEALTH INSURANCE CREDIT OPTIONS**

Under the **Standard Option**, upon your death, your retiree health insurance credit will be transferred to your surviving spouse if your surviving spouse receives a monthly payment from NDPERS and participates in the Dakota Plan. He or she can use the health insurance credit for as long as the benefit payments continue.

Under the **Alternate Health Credit Options**, if you are married and choose a Single Life, Ten or Twenty Year Term Certain retirement option, you have the opportunity to elect an alternate form of retiree health insurance credit. You may choose an actuarially reduced 50% or 100% Joint & Survivor retiree health credit option that applies only to the health credit portion of your retirement benefits.

The alternate option is actuarially reduced based upon your age and the age of your spouse. If you elect an alternate health credit option, upon your death, your surviving spouse will receive a health insurance credit amount if covered by the NDPERS health insurance plan, for the spouse's lifetime.

## **DEATH BENEFITS**

The Public Employees Retirement System provides a death benefit for members who die before they terminate employment.

### **NOT VESTED**

If you are not “vested” in the defined benefit plan at the time of your death, your member account balance will be paid in a single lump sum payment to the beneficiaries you have indicated. Your designated beneficiary can elect to have your member account balance paid directly to them or have the funds rolled over directly into an IRA or eligible employer plan.

### **VESTED AND MARRIED**

If you are vested in the defined benefit plan, married and you have designated your surviving spouse as your primary beneficiary, your spouse will be able to choose from one of the following payment options:

- A single lump sum payment (refund/rollover) of your member account balance,
- Monthly payments of one-half of your Single Life Retirement Benefit for your spouse’s lifetime, or
- Monthly payments in an amount equal to your accrued 100% Joint and Survivor retirement benefit (available only if you have reached your normal retirement date prior to your date of death).

If your surviving spouse elects to receive a monthly retirement benefit, he or she may make use of the retiree health insurance credit you earned as an active member. This credit is only available:

- if applied to NDPERS Dakota Plan health insurance premiums,
- to surviving spouses, and
- as long as the surviving spouse receives a monthly retirement benefit from NDPERS.

If your surviving spouse elects to receive a monthly retirement benefit, he or she may be eligible to participate in the NDPERS group vision, and dental insurance plans.

## **VESTED AND SINGLE**

If you are vested at the time of your death but are single, or your spouse has consented in writing to waive any right to a death benefit, your member account balance will be refunded in a single lump sum payment to your beneficiary or beneficiaries on record. Your designated beneficiary can elect to have your member account balance paid directly to them or have the funds rolled over directly into an IRA or eligible employer plan.

If you die and have no beneficiary on record, your member account balance will be refunded to your estate.

## **BENEFICIARY REQUIREMENTS**

If you are vested, married, and have listed someone other than or in addition to your spouse as your primary beneficiary, your spouse's written consent is required. Please be advised that if your primary beneficiary election is someone in addition to or in lieu of your spouse, there is no monthly pre-retirement death benefit provision.

Always keep your beneficiary designation current. To update or change your designation of beneficiary, you must complete a **“Designation of Beneficiary for the Group Retirement Plan SFN 2560”**.

## **BENEFIT COUNSELING**

Individual benefit counseling is available at the NDPERS office. If you would like a counseling appointment, please make an appointment before coming to the NDPERS office.

## **QUALIFIED DOMESTIC RELATIONS ORDERS**

If certain requirements are met, the NDPERS Board may approve the equitable distribution of a member's retirement benefits due to a divorce. If applicable, your attorney should contact the NDPERS office to obtain a copy of the latest requirements prior to beginning or constructing a domestic relations order (a **copy** can be obtained on the NDPERS website). After a domestic relations order is deemed to be qualified, retirement benefits must be paid in accordance with any Qualified Domestic Relations Order (QDRO) issued in compliance with North Dakota Century Code Chapter 54-52-17.6, and North Dakota Administrative Code Chapter 71-02-10.

Benefits are payable at the earlier of the member's date of termination or when the member reaches early retirement age. Although domestic relations orders may be entered and approved prior to a member's retirement or termination, no monies can be paid out until the member's account is in pay status or the member is eligible for early retirement.

If you contact NDPERS regarding information about your account in relation to a divorce, please alert NDPERS staff so your information request can be provided in the proper format.

## **DURABLE POWER OF ATTORNEY**

Everyone, regardless of age, faces the possibility of being incapacitated. Planning for this possibility is very important to you and your family should you become unable to handle your own affairs.

A good step in planning is to have a current Durable Power of Attorney on file with NDPERS since the laws regarding Power of Attorney change from time to time. It should contain a durable clause that allows the attorney-in-fact to work on retirement system matters on the member's behalf in the event the member becomes incapacitated, disabled, or is unavailable.

A Power of Attorney that does not have a durable clause terminates upon a member's incapacity, and because of that termination, it may be necessary for NDPERS to withhold the member's NDPERS benefits until a conservator is appointed by the courts.

While it is preferred that members use Durable Power of Attorney, because it contains a durable clause, NDPERS will also accept a General Power of Attorney without a durable clause. A General Power of Attorney or Durable Power of Attorney may be used for address changes, withholding tax elections, setting up direct deposit, or requesting information regarding benefit payments. However, NDPERS will only accept beneficiary designations or retirement option elections from representatives authorized to act under a Durable Power of Attorney.

In conclusion, having a Durable Power of Attorney on file at NDPERS assures that NDPERS will be able to handle your retirement benefits without interruption, and in accordance with your wishes, should you become unable to handle your own affairs.

## **REFUND/ROLLOVER CHECKLIST**

*Suggested procedure for terminating employees who wish to cash out of NDPERS*

- Before leaving employment, see your payroll officer or the NDPERS website for a **Refund/Rollover Guide & Forms Packet**.
- Be sure to read all the information contained Refund/Rollover Guide very carefully before completing any forms.
- Be sure all the applicable Refund/Rollover forms are fully and accurately completed. Incomplete or incorrectly completed forms may cause a delay in issuing funds from NDPERS.
- If you are having your NDPERS retirement account directly rolled over into an IRA or eligible employer plan, be certain the other Plan/Financial Institution will accept a direct rollover of your NDPERS retirement account before submitting your forms to NDPERS.
- If you wish, call the NDPERS office for a statement of your member account balance. (Please allow at least a week after your inquiry for a written statement.) You may view your monthly account balance through the NDPERS on-line services.
- Before leaving employment, check with your payroll officer to make sure your completed Refund/Rollover Forms has been sent to the NDPERS office.
- Be sure your address is correct with the NDPERS office. NDPERS staff must send all benefit information to your last recorded address and cannot make address changes over the telephone. Please submit any address changes through PERSLink Member Service, in writing or complete a "Notice of Change SFN 10766".

# DEFERRED RETIREMENT CHECKLIST

*Suggested procedure for terminating employees who wish to defer their retirement benefits to a later date*

Whether vested or not, you can leave your Member Account Balance intact with NDPERS and take a refund or rollover at a later date. If you are vested, you can elect to receive a monthly benefit at a later date.

**If you are not vested your account is less than \$1,000, and you do not indicate you wish to leave your account intact, you will be issued a refund automatically upon termination.**

Interest continues to compound on your Member Account Balance until you begin receiving a monthly benefit or take refund or rollover.

- Before leaving employment, see your payroll officer or the NDPERS website for a **“Deferred Retirement Guide & Forms Packet”**.
- Be sure to read all the information contained Deferred Retirement Guide very carefully before completing any forms.
- Indicate whether or not you will be purchasing sick leave for service credit on your retirement application.
- Be sure all the applicable forms in the Deferred Retirement forms are fully and accurately completed.
- If you wish, call the NDPERS office for a retirement benefit estimate or a statement of your member account balance. (Please allow at least a week after your inquiry for a written statement.) You may view your retirement benefits and monthly account balance through the NDPERS on-line services.
- Before leaving employment, check with your payroll officer to make sure your completed **Deferred Retirement Forms** has been sent to the NDPERS office.
- Be sure your address is correct with the NDPERS office. NDPERS staff must send all benefit information to your last recorded address and cannot make address changes over the telephone. *Please submit any address changes through PERSLink Member Service, in writing or complete a “**Notice of Change SFN 10766**”.*
