L. The Court retains jurisdiction to amend this Order so that it will constitute a qualified domestic relations order under the Plan even though all other matters incident to this action or proceeding have been fully and finally adjudicated. If the System determines at any time that changes in the law, the administration of the Plan, or any other circumstances make it impossible to calculate the portion of a distribution awarded to alternate payee by this Order and so notifies the parties, either or both parties shall immediately petition the Court for reformation of the Order.
