EFFECTIVE DATE OF COVERAGE

For Noncontributory coverage, you will be covered at 12:01 a.m. standard time at the Policyholder’s address on the date you are eligible for coverage.

For Contributory coverage, you will be covered at 12:01 a.m. standard time at the Policyholder’s address on the latest of the following:

- The date you are eligible for coverage, if you enroll for coverage on or before that date.
- The date you enroll for coverage.
- The date we approve your Evidence of Insurability, if Evidence of Insurability is required.
- The date you return to Active Employment, if you are not in Active Employment on the date your coverage would otherwise become effective. **Exception:** Coverage starts on a non-working day if you were in Active Employment on your last scheduled working day before the non-working day. Non-working days include time off for the following: vacations, personal holidays, weekends and holidays, approved nonmedical leave of absence and paid time off for nonmedical-related absences.

EFFECTIVE DATE OF CHANGES TO COVERAGE

Once your coverage begins, any increased or additional Contributory coverage will take effect on the latest of the following:

- The first day of the month that is on or next follows the date of the increased or additional coverage, if you are in Active Employment.
- The date you return to Active Employment, if you are not in Active Employment on the date the increased or additional coverage would otherwise start.
- The date we approve your Evidence of Insurability, if Evidence of Insurability is required.

Any decrease in coverage will take effect at the end of the month but will not affect a payable claim that occurs prior to the decrease.

CHANGE OF INSURANCE CARRIERS

We will provide continuity of coverage under our Policy if both of the following are true:

- You are not in Active Employment due to sickness or injury other than Total Disability or due to an Employer-approved non-medical leave of absence on the date the Employer changes insurance carriers to our Policy.
- You were covered under the prior group life policy, including payment of premiums to the prior insurance carrier when due, on the day before the coverage for your eligible class under our Policy became effective.

You are not eligible under this provision if any of the following are true:

- Your coverage is being continued under a waiver of premium (or any similar) provision of the prior policy.
- Your coverage is being continued under a continuation or portability provision of the prior policy.
- You converted or were eligible to convert your coverage with the prior insurance carrier.
- You are not in Active Employment due to reasons other than sickness, injury or an Employer-approved non-medical leave of absence.
GENERAL PROVISIONS

If you are eligible for continuity of coverage under this provision, we will provide limited coverage under our Policy. Coverage under this provision will begin on the date your eligible class is covered under our Policy and will continue until the earliest of the following:

- The date you return to Active Employment.
- The date the Employer-approved leave of absence ends.
- The date your continuation would end under the terms of our Policy.
- The date your continuation would have ended under the terms of the prior policy.
- The date coverage would otherwise end, according to the provisions of our Policy.
- 12 months following the date you were last in Active Employment.

Your coverage under this provision is subject to payment of Premiums.

Any benefits payable under this provision will be the lesser of the amount of coverage under the prior policy had it remained in force, or the amount you are eligible for under our Policy. We will reduce our payment by any amount paid under the prior policy.

If your coverage under this provision ends while the Policy is in force, and you are not otherwise eligible for insurance under the Policy, then you will be eligible for conversion as described in the CONVERSION provision.

If you were not covered under the Employer's prior policy on the date that policy terminated, then the EFFECTIVE DATE OF COVERAGE provision will apply.

TERMINATION OF COVERAGE

Your coverage under the Policy ends on the earliest of the following dates:

- The date the Policy terminates.
- The date coverage for all Active Employees under the Policy terminates.
- The last day of the month date you are no longer in an eligible class.
- The date your eligible class is no longer covered.
- The date you voluntarily cancel your Contributory coverage, as allowed by the Employer.
- The end of the period for which Premiums are paid if the next Premium is not paid by its due date, subject to the Policy grace period.
- The last day of the month that is on or next follows the last day you are in Active Employment. This does not apply to Retirees.

We will pay benefits for a loss that occurs while you are covered under the Policy.

CONVERSION

You may convert your life insurance, without Evidence of Insurability, to an individual life insurance policy if any part of your life insurance under the Policy stops for one of the following reasons:

- Your coverage ends according to the TERMINATION OF COVERAGE provision other than your voluntary cancellation of your Contributory coverage.
- Any continuation of insurance under the Policy ends.
- Your coverage reduces due to your change from one eligible class to another.
- Your coverage reduces due to a Policy change.

Only life insurance is eligible for conversion. The maximum amount of life insurance you are eligible to convert cannot be greater than the amount of life insurance you had prior to termination. Conversion does not include any additional benefits such as accelerated death benefits, accidental death and dismemberment benefits, or waiver of premium benefits. Any amounts of coverage for which you remain eligible under the Policy are not eligible for conversion.

To convert your life insurance, you must apply and pay the first premium to us within 31 days of the date any part of your life insurance under the Policy terminates (the “conversion period”). You will be given Written notice, in person or
GENERAL PROVISIONS

at your last known address, of your conversion right at least 15 days before the date any part of your life insurance ends. Your right to convert will expire on the later of 16 days after you are given such notice or the end of the conversion period, but in no event will your right to convert extend beyond 60 days after the expiration of the conversion period. Any extension of time allowed for returning the completed application and first premium will not change the length of the conversion period itself.

You may apply to convert the entire amount of life insurance that is terminating under the Policy, or a lesser amount. The maximum amount of life insurance coverage you are eligible to convert will be reduced by any amount of life insurance for which you become eligible under any group policy within 31 days after the beginning of the conversion period. Premiums for the conversion policy will be based on our rates then in use, the form and amount of insurance, your class of risk, and your attained age at the beginning of the conversion period. The conversion policy may be any individual life insurance policy then customarily offered by us for conversion, other than term insurance. The conversion policy will not include any additional benefits. When we accept your application and first premium, the conversion policy will become effective on the 32nd day after the date the life insurance under the Policy terminated.

During the conversion period, your life insurance will continue under the terms of the Policy. If you die within the conversion period, any life insurance amount that you were entitled to convert will be payable as a death benefit under the Policy and any premiums paid for conversion will be refunded to the Beneficiary.

If you have made an absolute assignment of your insurance, only the current owner may apply for conversion.

INCONTESTABILITY
Any statement made by you is considered a representation and not a warranty. We will not use such statement to avoid insurance, reduce benefits or defend a claim unless the statement is included in a Written statement of insurability which has been Signed by you and a copy of such statement of insurability has been given to you or to the Beneficiary. Except for fraud, we will not use such statement relating to insurability to contest life insurance after it has been in force for two years during your lifetime. Except for fraud, we will not use such statement to contest an increase or benefit addition to such insurance, after the increase or benefit has been in force for two years during your lifetime. Fraud in the procurement of coverage under the Policy is only contestable after the coverage has been in force for two years from its effective date when permitted by applicable law in the governing jurisdiction.

The statement on which any contest is based must be material to the risk accepted or the hazard assumed by us.

CLERICAL ERROR
Clerical error or omission by us or by the Policyholder will not:
• Prevent you from receiving coverage, if you are entitled to coverage under the terms of the Policy.
• Cause coverage to begin or continue for you when the coverage would not otherwise be effective.

If the Policyholder gives us information about you that is incorrect, we will do both of the following:
• Use the facts to decide whether you are eligible for coverage under the Policy and in what amounts.
• Make a fair adjustment of the Premium.

An error will not end insurance validly in effect, nor will it continue insurance validly ended.
GENERAL PROVISIONS

MISSTATEMENT OF AGE
If Premiums are based on your age and you have misstated your age, then your correct age will be used to determine if insurance is in effect and, as appropriate, the Premium and/or benefits will be adjusted. We may require satisfactory proof of your age before paying any claim.

ASSIGNMENT
You may make an absolute assignment of ownership of your insurance under the Policy to any person or entity by sending us Written notice on a form that we accept. An absolute assignment transfers all your duties, rights, title and interest under the Policy to the new owner. The new owner can make any changes allowed under the Policy and Certificate.

An absolute assignment form is available from the Employer or us. Any assignment form must be Signed by both the current owner and the new owner. The Signed form must be received and accepted by us in order to be valid. An accepted assignment will take effect on the date the form is Signed by you, unless otherwise specified in the Signed form. An assignment does not affect any payment we make or action we take before receiving the Signed form. An assignment does not change the insurance or the Beneficiary designation.

If you want to continue an absolute assignment made under the Employer's prior group life insurance policy, a statement of intent form is available from the Employer or us. The form must be Signed by both you and the assignee. The Signed form must be received and accepted by us in order to be valid. A statement of intent does not affect any payment we make or action we take before receiving the Signed form. A statement of intent does not change the insurance or the Beneficiary designation.

We assume no responsibility for the validity of any assignment. You are responsible to see that the assignment is legal in your state and that it accomplishes the goals that you intend.

BENEFICIARY
The Beneficiary is named by you to receive any proceeds payable at your death. While your coverage is in force, you may change the Beneficiary designation by Written request on a form that is acceptable to us. A Beneficiary designation form is available from the Employer or us. An accepted designation will take effect as of the date it is Signed, unless you specify otherwise in the Signed designation, but will not affect any payment we make or action we take before receiving the Signed form. If you have made an absolute assignment of your insurance, only the current owner may change the Beneficiary designation.

If an irrevocable Beneficiary is named, the Beneficiary designation can only be changed with the consent of the irrevocable Beneficiary.

There can be one or more Beneficiaries. If two or more Beneficiaries are named and their shares are not specified in the Beneficiary designation, then the Beneficiaries will share any insurance proceeds equally. If a primary Beneficiary does not survive you, their share will be payable to the remaining primary Beneficiaries. One or more contingent Beneficiaries may be named to receive the proceeds in the event that all of the primary Beneficiaries named do not survive you.

Please refer to the LIFE INSURANCE BENEFITS section of the Certificate for information about payment.

AGENCY
For purposes of the Policy, the Policyholder acts on its own behalf or as your agent. Under no circumstances will the Policyholder be deemed our agent.
GENERAL PROVISIONS

ENTIRE CONTRACT
Coverage for insured Employees is provided under a contract of group term insurance between us and the Policyholder. The entire contract consists of all of the following:
• The Policy issued to the Policyholder including Part A and Part B.
• The Certificates which are made part of Part B under the Policy.
• Any riders, endorsements and/or amendments issued.
• The Policyholder's Signed application, a copy of which is attached to the Policy when issued.

CHANGES TO POLICY OR CERTIFICATE
The terms and provisions of the Policy and this Certificate may be changed at any time without the consent of you or anyone else with a beneficial interest in the Policy. We will issue riders, endorsements or amendments to effect such changes, and only those forms Signed by one of our executive officers will be valid. We will only make changes consistent with the standards of the applicable regulatory body in the governing jurisdiction. We will provide a copy of the rider, endorsement or amendment to the Policyholder for attachment to the Policy, and also for the Employees if the change affects the Certificate(s).

Riders, endorsements and amendments are subject to prior approval by the appropriate regulatory body in the governing jurisdiction. A rider, endorsement or amendment will not affect the insurance provided under the Certificate(s) until the effective date of the change, unless retroactivity is required by the applicable regulatory body.

No agent, representative or employee of ours or of any other entity, except one of our executive officers, may approve a change to or waive the terms of the Policy.
LIFE INSURANCE BENEFITS

We pay a death benefit to the Beneficiary if we receive Written proof that you died while your insurance under the Policy is in force. The death benefit is the amount of life insurance for your class as shown on the SCHEDULE OF BENEFITS in effect on the date of your death minus any amount paid under the Accelerated Death Benefit Rider.

NOTICE OF CLAIM AND PROOF OF LOSS
A claim form is available from the Employer. The process for completing the claim form and submitting the claim form will be explained in the claim form paperwork. Proof of loss, including any attachments indicated on the claim form as required, should be sent directly to the Employer. We may also require information from the Employer in order to verify eligibility.

Proof of loss consists of a certified copy of your death certificate or other lawful evidence providing equivalent information, and proof of the claimant’s interest in the proceeds.

We will review the claim and proof of loss we receive in order to determine our liability and the correct payee(s). If we approve the claim, we will pay the benefits subject to the terms of this Certificate.

AUTOPSY
We reserve the right to make a reasonable request for an autopsy at our expense where permitted by law.

PAYMENT OF PROCEEDS
To be eligible to receive proceeds, the Beneficiary must be living on the date of your death.

If there is no eligible Beneficiary, we will pay the proceeds to the first survivor(s), who is living on the date of your death, in the following order:
1. Your spouse.
2. Your natural and adopted children.
3. Your parents.
4. Your estate.

If the Beneficiary or survivor is eligible to receive proceeds but dies before receiving them, we will pay the proceeds to that person’s estate.

“Spouse” means the spouse of a participant but shall not include an individual legally separated from a participant under a decree of divorce or of separate maintenance. An individual shall be considered lawfully married regardless of where the individual is domiciled if either of the following are true: (1) the individual was married in a state, possession, or territory of the U.S. and the individual is recognized as lawfully married by that state, possession, or territory of the U.S.; or (2) the individual was married in a foreign jurisdiction and the laws of at least one state, possession, or territory of the U.S. would recognize the individual as lawfully married.

We will pay the death benefit to the Beneficiary in one sum or in a method comparable to one sum. Other methods of payment may be made available to the Beneficiary at the time of claim.

Any payment we make in good faith will discharge our liability to the extent of such payment.
PAYMENT OF INTEREST
We pay interest on the death benefit proceeds, accruing from the date of your death up to the date of payment. The minimum interest rate payable will be the interest rate applicable for funds left on deposit with us as of the date of death.

Interest will accrue at an annual rate of 10% plus the interest rate applicable for funds left on deposit beginning with the date that is 31 calendar days from the latest of the dates below and continuing up to the date of payment:
- The date we receive due proof of loss following death.
- The date we receive sufficient information to determine our liability, the extent of our liability, and the appropriate payee legally entitled to the proceeds.
- The date that legal impediments to payment of proceeds that depend on the action of parties other than us are resolved and sufficient evidence of this resolution is provided to us. Legal impediments to payment include but are not limited to: the establishment of guardianships and conservatorships; the appointment and qualification of trustees, executors and administrators; and the submission of information required to satisfy state or federal reporting requirements.

LEGAL ACTION
The time period during which any person can start legal action regarding any claim under the Policy is subject to applicable law in the governing jurisdiction. Nothing in this provision waives, extends or tolls any applicable statute of limitations governing any claim relating in any way to your coverage.
EXCLUSIONS AND LIMITATIONS

We pay a death benefit for all causes of death.
This rider is made a part of the Group Term Life Insurance Certificate and is subject to all of the provisions, limitations
and exclusions of the Policy and Certificate, unless changed by this rider. Unless expressly changed by this rider, the
terms used in this rider have the same meaning as in the Certificate.

If you have a Spouse eligible for coverage, you must enroll your Spouse for any Contributory coverage before the coverage will become effective. The Employer will provide you with the forms or information needed to complete your enrollment.

No enrollment is required if the Policy replaces a group policy issued by us or by another insurance company, and your Spouse was covered under the prior policy on the day before that policy was replaced by our Policy. The amount of Contributory coverage for your Spouse that becomes effective on our Policy effective date will be at the same level as under the prior policy, subject to the terms of our Policy including any maximum coverage amounts under our Policy.

You may need to provide Evidence of Insurability on your Spouse, as described below.

EVIDENCE OF INSURABILITY
Evidence of Insurability is required for coverage under the conditions described below. Coverage is subject to the Evidence of Insurability requirements that are in force on the effective date of coverage. Any increase to coverage is subject to the Evidence of Insurability requirements that are in force on the effective date of the increase. We must approve any required Evidence of Insurability before coverage becomes effective.

EFFECTIVE DATE OF COVERAGE

Your Spouse will be covered at 12:01 a.m. standard time at the Policyholder’s address on the latest of the following:

- The date your Spouse is eligible for coverage, if you enroll for Spouse coverage on or before that date.
- The date you enroll for Spouse coverage.
- The date we approve your Spouse’s Evidence of Insurability, if Evidence of Insurability is required.
- The date you return to Active Employment, if you are not in Active Employment when your Spouse’s coverage would otherwise become effective. **Exception:** Coverage starts on a non-working day if you were in Active Employment on your last scheduled working day before the non-working day. Non-working days include time off for the following: vacations, personal holidays, weekends and holidays, approved nonmedical leave of absence and paid time off for nonmedical-related absences.
- The date your Spouse is no longer hospitalized, or confined at home under a doctor’s care, or receiving or applying to receive disability benefits from any source, if any of these conditions are true on the date your Spouse’s coverage would otherwise become effective.

EFFECTIVE DATE OF CHANGES TO COVERAGE

Once your Spouse’s coverage begins, any increased or additional coverage will take effect on the latest of the following:

- The first day of the month that is on or next follows the date of the increased or additional coverage, if you are in Active Employment.
- The date you return to Active Employment, if you are not in Active Employment on the date the increased or additional coverage would otherwise start.
- The date we approve your Spouse’s Evidence of Insurability, if Evidence of Insurability is required.
- The date your Spouse is no longer hospitalized, or confined at home under a doctor’s care, or receiving or applying to receive disability benefits from any source, if any of these conditions are true on the date the increased or additional coverage would otherwise start.

Any decrease in coverage will take effect at the end of the month but will not affect a payable claim that occurs prior to the decrease.

CHANGE OF INSURANCE CARRIERS

If your coverage is being provided under the CHANGE OF INSURANCE CARRIERS provision in the Certificate, then we will also provide continuity of Spouse coverage under the same conditions and for the same duration.

Any benefits payable under this provision will be the lesser of the amount of coverage under the prior policy had it remained in force, or the amount of eligible Spouse coverage under our Policy. We will reduce our payment by any amount paid under the prior policy.

If Spouse coverage under this provision ends while the Policy is in force, and your Spouse is not otherwise eligible for insurance under the Policy, then your Spouse coverage will be eligible for conversion as described in the CONVERSION provision.

If your Spouse was not covered under the Employer's prior policy on the date that policy terminated, then the EFFECTIVE DATE OF COVERAGE provision will apply.

SPouse ACTIVE MILITARY DUTY

If your Spouse is covered under this rider and your Spouse begins full-time active duty in the armed forces of any country or subdivision thereof then you should notify the Policyholder to cancel this rider. Coverage under this rider will terminate at the beginning of the period during which your Spouse is no longer eligible, and any unearned Premiums that were collected will be refunded.

If your Spouse’s full-time active military duty ends, then you may re-enroll for this rider subject to the following:

- If you re-enroll for this rider within 2 months of the date your Spouse is eligible for coverage again, then the maximum amount of Spouse coverage available will be the lesser of the amount that was in effect on the day before coverage ended and the then current maximum amount of Spouse coverage available under this rider. Spouse coverage will be effective on the later of the following:
  - The date you re-enroll.
  - The date your Spouse is not hospitalized or confined at home under a doctor’s care.
  - The date your Spouse is not receiving or applying to receive disability benefits from any source.
• If you re-enroll for this rider more than 2 months after your Spouse is eligible for coverage again, then Evidence of Insurability on your Spouse will be required. If Evidence of Insurability is approved by us, Spouse coverage will become effective on the date specified by us.

SPouse CHANGE OF LEGAL RESIDENCE
If your Spouse is covered under this rider and your Spouse changes their legal residence to outside the United States or its territories or possessions, then you should notify the Policyholder to cancel this rider. Coverage under this rider will terminate at the beginning of the period during which your Spouse is no longer eligible, and any unearned Premiums that were collected will be refunded.

If your Spouse resumes legal residence in the United States or its territories or possessions, then you may re-enroll for this rider subject to the following:
• If you re-enroll for this rider within 2 months of the date your Spouse is eligible for coverage again, then the maximum amount of Spouse coverage available will be the lesser of the amount that was in effect on the day before coverage ended and the then current maximum amount of Spouse coverage available under this rider. Spouse coverage will be effective on the later of the following:
  − The date you re-enroll.
  − The date your Spouse is not hospitalized or confined at home under a doctor’s care.
  − The date your Spouse is not receiving or applying to receive disability benefits from any source.
• If you re-enroll for this rider more than 2 months after your Spouse is eligible for coverage again, then Evidence of Insurability on your Spouse will be required. If Evidence of Insurability is approved by us, Spouse coverage will become effective on the date specified by us.

TERMINATION OF COVERAGE
This rider terminates on the earliest of the following:
• The date your life insurance terminates.
• The date this rider is terminated for all Employees under the Policy.
• The date this rider is terminated for the eligible class of Employees to which you belong.
• The date you voluntarily cancel this rider, as allowed by the Employer.
• The date your Spouse is no longer an eligible Spouse as defined by this rider.
• The end of the period for which Premiums are paid if the next Premium is not paid by its due date, subject to the Policy grace period.

We will pay benefits for a loss that occurs while your Spouse is covered under this rider.

CONVERSION
You may convert Spouse life insurance, without Evidence of Insurability, to an individual life insurance policy if Spouse life insurance under this rider stops for any reason other than nonpayment of Premium, your Spouse ceasing to be an eligible Spouse as defined, or your death. You may also convert any part of Spouse life insurance that reduces due to your change from one eligible class to another or a Policy change. If you have made an absolute assignment of insurance, only the current owner may apply for conversion under this paragraph.

Your Spouse may convert Spouse life insurance, without Evidence of Insurability, to an individual life insurance policy if Spouse life insurance under this rider stops because your Spouse is no longer an eligible Spouse as defined, or because of your death.

Only life insurance is eligible for conversion. The maximum amount of life insurance eligible for conversion cannot be greater than the amount of Spouse life insurance you had prior to termination. Conversion does not include any additional benefits such as accelerated death benefits, accidental death and dismemberment benefits, or waiver of premium benefits. Any amounts of coverage for which your Spouse remains eligible under the Policy are not eligible for conversion.

To convert Spouse life insurance, application must be made and the first premium paid to us within 31 days of the date any part of Spouse life insurance under this rider terminates (the “conversion period”). You will be given Written notice, in person or at your last known address, of your conversion right at least 15 days before the date any part of Spouse life insurance ends. Your right to convert will expire on the later of 16 days after you are given such notice or the end of the conversion period, but in no event will your right to convert extend beyond 60 days after the expiration of the conversion period. Any extension of time allowed for returning the completed application and first premium will not change the length of the conversion period itself.
Application for conversion may be for the entire amount of Spouse life insurance that is terminating under this rider, or a lesser amount. The maximum amount of Spouse life insurance coverage eligible for conversion will be reduced by any amount of Spouse life insurance for which you become eligible under any group policy within 31 days after the beginning of the conversion period. Premiums for the conversion policy will be based on our rates then in use, the form and amount of insurance, your Spouse’s class of risk, and your Spouse’s attained age at the beginning of the conversion period. The conversion policy may be any individual life insurance policy then customarily offered by us for conversion, other than term insurance. The conversion policy will not include any additional benefits. When we accept the application and first premium, the conversion policy will become effective on the 32nd day after the date the life insurance under the Policy terminated.

During the conversion period, Spouse life insurance will continue under the terms of this rider. If your Spouse dies within the conversion period, any life insurance amount that was eligible for conversion will be payable as a death benefit under the Policy and any premiums paid for conversion will be refunded to the Beneficiary.

INCONTESTABILITY
Any statement made by you or your Spouse is considered a representation and not a warranty. We will not use such statement to avoid insurance, reduce benefits or defend a claim unless the statement is included in a Written statement of insurability which has been Signed by you or your Spouse and a copy of such statement of insurability has been given to you or to the Beneficiary. Except for fraud, we will not use such statement relating to insurability to contest life insurance after it has been in force for two years during your Spouse’s lifetime. Except for fraud, we will not use such statement to contest an increase or benefit addition to such insurance, after the increase or benefit has been in force for two years during your Spouse’s lifetime. Fraud in the procurement of coverage under the Policy is only contestable after the coverage has been in force for two years from its effective date when permitted by applicable law in the governing jurisdiction.

The statement on which any contest is based must be material to the risk accepted or the hazard assumed by us.

BENEFICIARY
You are the Beneficiary for proceeds that become payable at your Spouse’s death under this rider. If you have made an absolute assignment of your insurance, then during your lifetime the current owner is the Beneficiary. See the Portability Rider for information about the eligible Beneficiary for continued coverage after your death or divorce. This Beneficiary designation may not be changed. If the Beneficiary is not living on the date payment is made, benefits are payable to the Beneficiary’s estate. Please refer to the LIFE INSURANCE BENEFITS section for more information about payment.

LIFE INSURANCE BENEFITS

We pay a death benefit to the Beneficiary if we receive Written proof that your Spouse died while Spouse insurance under this rider is in force. See the CONVERSION provision for information about death benefits payable during the conversion period following your death. The death benefit is the amount of Spouse life insurance for the eligible class as shown on the SCHEDULE OF BENEFITS in effect on the date of your Spouse’s death.

NOTICE OF CLAIM AND PROOF OF LOSS
A claim form is available from the Employer. The process for completing the claim form and submitting the claim form will be explained in the claim form paperwork. Proof of loss, including any attachments indicated on the claim form as required, should be sent directly to the Employer. We may also require information from the Employer in order to verify eligibility.

Proof of loss consists of a certified copy of your Spouse’s death certificate or other lawful evidence providing equivalent information, and proof of the claimant’s interest in the proceeds.

We will review proof of loss we receive in order to determine our liability and the correct payee(s). If we approve the claim, we will pay the benefits subject to the terms of this rider.
PAYMENT OF PROCEEDS
To be eligible to receive proceeds, the Beneficiary must be living on the date of your Spouse’s death. Exception: If your Spouse dies during the conversion period following your death and you would otherwise have been the Beneficiary, we will pay the proceeds to your estate.

If the Beneficiary is eligible to receive proceeds but dies before receiving them, we will pay the proceeds to the Beneficiary’s estate.

We will pay the death benefit to the Beneficiary in one sum or in a method comparable to one sum. Other methods of payment may be made available to the Beneficiary at the time of claim.

Any payment we make in good faith will discharge our liability to the extent of such payment.

PAYMENT OF INTEREST
We pay interest on the death benefit proceeds, accruing from the date of your Spouse’s death up to the date of payment. The minimum interest rate payable will be the interest rate applicable for funds left on deposit with us as of the date of death.

Interest will accrue at an annual rate of 10% plus the interest rate applicable for funds left on deposit beginning with the date that is 31 calendar days from the latest of the dates below and continuing up to the date of payment:
- The date we receive due proof of loss following death.
- The date we receive sufficient information to determine our liability, the extent of our liability, and the appropriate payee legally entitled to the proceeds.
- The date that legal impediments to payment of proceeds that depend on the action of parties other than us are resolved and sufficient evidence of this resolution is provided to us. Legal impediments to payment include but are not limited to: the establishment of guardianships and conservatorships; the appointment and qualification of trustees, executors and administrators; and the submission of information required to satisfy state or federal reporting requirements.

EXCLUSIONS AND LIMITATIONS
We pay a death benefit for all causes of death.

DEFINITIONS

Child or Children means a child from birth but less than 26 years of age who is one of the following:
- Your natural or adopted child (including a child placed for adoption).
- Your stepchild.
- A child of your domestic partner or civil union partner who is recognized as equivalent to a Spouse in the state with governing jurisdiction.
- Your foster child or a child or grandchild for whom you are a legal guardian.
- Your grandchild if the child’s parent is insured as your Child under this rider.
The child must also meet all of the following conditions:

- Be unmarried or not in a domestic partnership or civil union that is recognized as equivalent to marriage in the state with governing jurisdiction.
- Not be on full-time active duty in the armed forces of any country or subdivision thereof.
- Legally reside in the United States or its territories or possessions.
- Not be insured under the Policy as an Employee or Spouse.
- Not be insured by an individual policy that was issued under any conversion right of this rider.

This definition includes your Child age 26 or older who is incapable of self-sustaining employment due to physical or intellectual disability. Written proof of the Child's incapacity must be furnished to us at our home office within 31 days after the Child reaches the limiting age. We may require, at reasonable intervals, but not more than once a year after the two year period following attainment of the limiting age, evidence satisfactory to us that the incapacity is continuing.

Coverage will continue while the Child remains incapable of self-sustaining employment due to physical or intellectual disability and continues to meet the definition of Child except for the age limit. If the Child becomes capable of self-sustaining employment and proof of the Child's incapacity can no longer be furnished to us, you may convert your Child's life insurance to an individual life insurance policy as described in the CONVERSION provision of this rider.

**Evidence of Insurability** means your affirmation, on a form acceptable to us, of various factors that we will use to determine if your Child’s coverage is approved. Those factors may include, but are not limited to, your Child’s medical history and treatment, driving record, and/or family medical history. If we need more information, any costs will be at our expense.

**Guaranteed Issue Amount** means the Child benefit amount (as shown on the SCHEDULE OF BENEFITS) for which you are eligible to enroll without providing Evidence of Insurability, according to the EVIDENCE OF INSURABILITY provision.

**GENERAL PROVISIONS**

**ELIGIBILITY**
If you are covered under the Policy, then your Children are eligible under this rider on the latest of the following:

- The Policy effective date.
- The date this rider is available to the eligible class of Employees to which you belong.
- Your Supplemental life insurance coverage effective date.
- The date you acquire a Child by marriage, birth or adoption.

If your Child is covered under the Policy as an Employee, then your Child is not eligible for coverage under this rider.

**ENROLLMENT**
If you have a Child eligible for coverage, you must enroll all Children for any Contributory coverage before the coverage will become effective. The Employer will provide you with the forms or information needed to complete your enrollment.

No enrollment is required if the Policy replaces a group policy issued by us or by another insurance company, and your Children were covered under the prior policy on the day before that policy was replaced by our Policy. The amount of Contributory coverage for your Children that becomes effective on our Policy effective date will be at the same level as under the prior policy, subject to the terms of our Policy including any maximum coverage amounts under our Policy.

You may need to provide Evidence of Insurability on your Children, as described below.

**EVIDENCE OF INSURABILITY**
Evidence of Insurability is required for coverage under the conditions described below. Coverage is subject to the Evidence of Insurability requirements that are in force on the effective date of coverage. Any increase to coverage is subject to the Evidence of Insurability requirements that are in force on the effective date of the increase. We must approve any required Evidence of Insurability before coverage becomes effective. When you have Children covered under this rider, then newly eligible Children will not require Evidence of Insurability.

**EFFECTIVE DATE OF COVERAGE**

Your Children will be covered at 12:01 a.m. standard time at the Policyholder’s address on the latest of the following:

- The date your Children are eligible for coverage, if you enroll for Children’s coverage on or before that date.
- The date you enroll for Children’s coverage.
- The date we approve each Child’s Evidence of Insurability, if Evidence of Insurability is required.
- The date you return to Active Employment, if you are not in Active Employment when your Children’s coverage would otherwise become effective. **Exception:** Coverage starts on a non-working day if you were in Active Employment on your last scheduled working day before the non-working day. Non-working days include time off for the following: vacations, personal holidays, weekends and holidays, approved nonmedical leave of absence and paid time off for nonmedical-related absences.
- The date your Child is no longer hospitalized, or confined at home under a doctor’s care, or receiving or applying to receive disability benefits from any source, if any of these conditions are true on the date that Child’s coverage would otherwise become effective.

**EFFECTIVE DATE OF CHANGES TO COVERAGE**

Once your Children’s coverage begins, any increased or additional coverage will take effect on the latest of the following:

- The first day of the month that is on or next follows the date of the increased or additional coverage, if you are in Active Employment.
- The date you return to Active Employment, if you are not in Active Employment on the date the increased or additional coverage would otherwise start.
- The date we approve each Child’s Evidence of Insurability, if Evidence of Insurability is required.
- The date your Child is no longer hospitalized, or confined at home under a doctor’s care, or receiving or applying to receive disability benefits from any source, if any of these conditions are true on the date that Child’s increased or additional coverage would otherwise start.

Any decrease in coverage will take effect at the end of the month but will not affect a payable claim that occurs prior to the decrease.
CHANGE OF INSURANCE CARRIERS
If your coverage is being provided under the CHANGE OF INSURANCE CARRIERS provision in the Certificate, then we will also provide continuity of Children's coverage under the same conditions and for the same duration.

Any benefits payable under this provision will be the lesser of the amount of coverage under the prior policy had it remained in force, or the amount of eligible Children’s coverage under our Policy. We will reduce our payment by any amount paid under the prior policy.

If Children’s coverage under this provision ends while the Policy is in force, and your Children are not otherwise eligible for insurance under the Policy, then your Children’s coverage will be eligible for conversion as described in the CONVERSION provision.

If your Children were not covered under the Employer's prior policy on the date that policy terminated, then the EFFECTIVE DATE OF COVERAGE provision will apply.

TERMINATION OF COVERAGE
Coverage for each Child ends on the earliest of the following:
- The date this rider terminates.
- The date the Child is no longer an eligible Child as defined by this rider. Coverage of a disabled Child ends when there is no longer evidence satisfactory to us that the incapacity is continuing.

This rider terminates on the earliest of the following:
- The date your life insurance terminates.
- The date this rider is terminated for all Employees under the Policy.
- The date this rider is terminated for the eligible class of Employees to which you belong.
- The date you voluntarily cancel this rider, as allowed by the Employer.
- The date you no longer have any eligible Children as defined by this rider.
- The end of the period for which Premiums are paid if the next Premium is not paid by its due date, subject to the grace period.

We will pay benefits for a loss that occurs while your Child is covered under this rider.

CONVERSION
You may convert Children’s life insurance, without Evidence of Insurability, to an individual life insurance policy if a Child’s life insurance under this rider stops for any reason other than nonpayment of Premium, your Child reaching the termination age under this rider, or your death. You may also convert any part of Children’s life insurance that reduces due to your change from one eligible class to another or a Policy change. If you have made an absolute assignment of insurance, only the current owner may apply for conversion under this paragraph.

Your Child may convert Children’s life insurance, without Evidence of Insurability, to an individual life insurance policy if that Child’s life insurance under this rider stops because your Child reaches the termination age under this rider, or because of your death. If a Child is too young to contract for life insurance after your death, then a parent or a court-appointed guardian of the Child may apply for conversion of that Child’s coverage.

Only life insurance is eligible for conversion. Conversion does not include any additional benefits such as accelerated death benefits, accidental death and dismemberment benefits, or waiver of premium benefits. Any amounts of coverage for which your Child remains eligible under the Policy are not eligible for conversion.

To convert Children’s life insurance, application must be made and the first premium paid to us within 31 days of the date any part of a Child’s life insurance under this rider terminates (the “conversion period”). You will be given Written notice, in person or at your last known address, of your conversion right at least 15 days before the date any part of Children’s life insurance ends. Your right to convert will expire on the later of 16 days after you are given such notice or the end of the conversion period, but in no event will your right to convert extend beyond 60 days after the expiration of the conversion period. Any extension of time allowed for returning the completed application and first premium will not change the length of the conversion period itself.

Application for conversion may be for the entire amount of Children’s life insurance that is terminating under this rider, or a lesser amount. The maximum amount of Children’s life insurance coverage eligible for conversion will be reduced by any amount of Children’s life insurance for which you become eligible under any group policy within 31 days after
the beginning of the conversion period. Premiums for the conversion policy will be based on our rates then in use, the form and amount of insurance, your Child’s class of risk, and your Child’s attained age at the beginning of the conversion period. The conversion policy may be any individual life insurance policy then customarily offered by us for conversion, other than term insurance. The conversion policy will not include any additional benefits. When we accept the application and first premium, the conversion policy will become effective on the 32nd day after the date the life insurance under the Policy terminated.

During the conversion period, Children’s life insurance will continue under the terms of this rider. If your Child dies within the conversion period, any life insurance amount that was eligible for conversion will be payable as a death benefit under the Policy and any premiums paid for conversion will be refunded to the Beneficiary.

INCONTESTABILITY
Any statement made by you or your Child is considered a representation and not a warranty. We will not use such statement to avoid insurance, reduce benefits or defend a claim unless the statement is included in a Written statement of insurability which has been Signed by you or your Child and a copy of such statement of insurability has been given to you or to the Beneficiary. Except for fraud, we will not use such statement relating to insurability to contest life insurance after it has been in force for two years during your Child’s lifetime. Except for fraud, we will not use such statement to contest an increase or benefit addition to such insurance, after the increase or benefit has been in force for two years during your Child’s lifetime. Fraud in the procurement of coverage under the Policy is only contestable after the coverage has been in force for two years from its effective date when permitted by applicable law in the governing jurisdiction.

The statement on which any contest is based must be material to the risk accepted or the hazard assumed by us.

BENEFICIARY
You are the Beneficiary for proceeds that become payable at your Child’s death under this rider. If you have made an absolute assignment of your insurance, then during your lifetime the current owner is the Beneficiary. See the Portability Rider for information about the eligible Beneficiary for continued coverage after your death. This Beneficiary designation may not be changed. Please refer to the LIFE INSURANCE BENEFITS section for more information about payment.

LIFE INSURANCE BENEFITS
We pay a death benefit to the Beneficiary if we receive Written proof that your Child died while Children’s insurance under this rider is in force. See the CONVERSION provision for information about death benefits payable during the conversion period following your death. The death benefit is the amount of Children’s life insurance on that Child for the eligible class as shown on the SCHEDULE OF BENEFITS in effect on the date of your Child’s death.

NOTICE OF CLAIM AND PROOF OF LOSS
A claim form is available from the Employer. The process for completing the claim form and submitting the claim form will be explained in the claim form paperwork. Proof of loss, including any attachments indicated on the claim form as required, should be sent directly to the Employer. We may also require information from the Employer in order to verify eligibility.

Proof of loss consists of a certified copy of your Child’s death certificate or other lawful evidence providing equivalent information, and proof of the claimant’s interest in the proceeds.

We will review proof of loss we receive in order to determine our liability and the correct payee(s). If we approve the claim, we will pay the benefits subject to the terms of this rider.

PAYMENT OF PROCEEDS
To be eligible to receive proceeds, the Beneficiary must be living on the date of your Child’s death. Exception: If your Child dies during the conversion period following your death and you would otherwise have been the Beneficiary, we will pay the proceeds to your estate.

If the Beneficiary is eligible to receive proceeds but dies before receiving them, we will pay the proceeds to the Beneficiary’s estate.
We will pay the death benefit to the Beneficiary in one sum or in a method comparable to one sum. Other methods of payment may be made available to the Beneficiary at the time of claim.

Any payment we make in good faith will discharge our liability to the extent of such payment.

**PAYMENT OF INTEREST**

We pay interest on the death benefit proceeds, accruing from the date of your Child's death up to the date of payment. The minimum interest rate payable will be the interest rate applicable for funds left on deposit with us as of the date of death.

Interest will accrue at an annual rate of 10% plus the interest rate applicable for funds left on deposit beginning with the date that is 31 calendar days from the latest of the dates below and continuing up to the date of payment:

- The date we receive due proof of loss following death.
- The date we receive sufficient information to determine our liability, the extent of our liability, and the appropriate payee legally entitled to the proceeds.
- The date that legal impediments to payment of proceeds that depend on the action of parties other than us are resolved and sufficient evidence of this resolution is provided to us. Legal impediments to payment include but are not limited to: the establishment of guardianships and conservatorships; the appointment and qualification of trustees, executors and administrators; and the submission of information required to satisfy state or federal reporting requirements.

**EXCLUSIONS AND LIMITATIONS**

**Total Disability** or **Totally Disabled** means that for the first 24 months of being disabled, you are unable to perform with reasonable continuity the substantial and material duties of your job due to sickness or bodily injury. After you have been disabled for 24 months, Total Disability or Totally Disabled means that due to sickness or bodily injury, you are unable to engage with reasonable continuity in any other job in which you could reasonably be expected to perform satisfactorily in light of your age, education, training, experience, station in life, or physical and mental capacity.

If we pay you an Employee benefit under the Accelerated Death Benefit Rider, you will automatically meet the definition of Total Disability under this rider following the date you became eligible for an accelerated benefit payment.

**Waiting Period** means the 9 month period immediately following the date you stop Active Employment during which you are continuously Totally Disabled. If you return to work for a total of 30 days or less during the Waiting Period and then stop work again due to the same Total Disability, your Waiting Period will not be interrupted. If we pay you an Employee benefit under the Accelerated Death Benefit Rider, you will automatically satisfy the Waiting Period requirement under this rider.
GENERAL PROVISIONS

ELIGIBILITY FOR RIDER
If you are covered under the Policy, then you are eligible for this rider on the latest of the following:
- The Policy effective date.
- The date this rider is available to the eligible class of Employees to which you belong.
- Your life insurance coverage effective date.

EFFECTIVE DATE OF RIDER
You will be covered at 12:01 a.m. standard time at the Policyholder’s address on the date you are eligible for this rider.

TERMINATION OF RIDER
This rider terminates on the earliest of the following:
- The date your life insurance terminates.
- The date this rider is terminated for all Employees under the Policy.
- The date this rider is terminated for the eligible class of Employees to which you belong.
- The date life insurance coverage is being continued under the terms of the Portability Rider.

This rider will not terminate while Premiums are being waived under the terms of this rider.

TERMINATION OF COVERAGE
The TERMINATION OF COVERAGE provision in your Certificate is revised to add this item to the terms under which your coverage ends:
- The date Premiums are no longer being waived under the Waiver of Premium Rider, if you are not in an eligible class on that date.

WAIVER OF PREMIUM BENEFIT

If you become Totally Disabled while covered under this rider and meet the other conditions below, we will waive Premiums due under the Policy and continue insurance during your Total Disability, according to the terms of this rider. When we waive Premiums, the amount of continued life insurance equals the amount that would have been provided if you had not become Totally Disabled. That amount will reduce or stop according to the Certificate and riders in effect on the date Total Disability began. Premiums that are waived are not deducted from any proceeds that may become payable.

Continued life insurance includes the following if effective on the date before your Total Disability began:
- Employee life insurance.
- the Spouse Life Insurance Rider.
- the Children’s Life Insurance Rider.
- the Accelerated Death Benefit Rider.

Continued life insurance does not include:
- the AD&D Rider.
- the Portability Rider.
- any continuation rider(s).

Any rider or coverage that is not eligible for waiver of premium under this rider will terminate on the date that coverage would otherwise end due to your termination of Active Employment. See the CONVERSION provision of the Certificate and riders for more information about conversion.

Continued insurance is subject to all other terms of the Policy.

CONDITIONS FOR WAIVER OF PREMIUM
All of the following conditions must be met in order to waive Premiums:
- Total Disability begins before your 60th birthday.
- You are covered under this rider on the date your Total Disability begins.
- You are continuously Totally Disabled for the entire Waiting Period. Premiums due during the Waiting Period are subject to the continuation provision(s) of any riders.
- All Premiums due for life insurance and this rider are paid to us through the date we approve your claim for waiver of Premium or the date the continuation period under any rider ends, whichever is earlier. Premiums due are payable by the Policyholder or you as applicable.
- You provide notice of claim and proof of Total Disability to us as described below.

**NOTICE OF CLAIM AND PROOF OF TOTAL DISABILITY**
You must send us written notice of claim while you are living, while you are Totally Disabled, and within 9 months of the date your Total Disability begins. Failure to give notice within 9 months will not invalidate or reduce any claim if it is shown not to have been reasonably possible to give such notice and that notice was given as soon as was reasonably possible.

Notice of claim includes proof of your Total Disability. Proof of your Total Disability includes information from your Doctor, at your expense, regarding your condition and your inability to work. We may require additional information from the Employer in order to verify eligibility. We may also require you to be interviewed by our authorized representative. Proof of your Total Disability, including any attachments indicated on the claim form(s) as required, should be sent directly to us at the address indicated on the form(s). Claim forms are available from the Employer or us.

We have the right to request a second or third medical opinion, at our expense, in order to determine if you are Totally Disabled. Any second medical opinion may include a physical examination by a Doctor or other medical practitioner of our choice. In the case of conflicting medical opinions, Total Disability will be determined by a third medical opinion that is provided by a Doctor who is mutually acceptable to you and us.

If a Covered Person dies within 12 months of the date your Total Disability began and all of the following are true:
- You didn’t previously submit a claim under this rider, and
- You would otherwise have met the CONDITIONS FOR WAIVER OF PREMIUM, and
- Life insurance for the Covered Person would still have been in force under the Policy on the date of the Covered Person’s death if a claim for waiver of Premium had been approved,
then the Beneficiary can submit a claim for death benefit proceeds along with notice of claim under this rider and proof that your Total Disability continued without interruption from the last day you were in Active Employment until the Covered Person’s death. For your death, completion of the entire Waiting Period is not required.

**EFFECTIVE DATE OF WAIVER OF PREMIUM**
When we approve your claim, Premiums are waived as of the date after the Waiting Period ends. We will refund any unearned Premiums we receive to the Policyholder or to you, as appropriate. We will notify you in writing when your claim is approved.

We will notify you and the Employer if we deny your claim. If we deny your claim, conversion is available as described in the CONVERSION provision of the Certificate and riders.

If we approve a claim for which notice of claim was provided to us more than 12 months after the date your Total Disability began, then any refund of unearned Premiums will not exceed 12 months of Premiums dating back from the date the notice of claim was received by us.

If you converted life insurance due to your termination of Active Employment and then a claim under this rider is approved, the conversion policy must be surrendered without claim. We will cancel the conversion policy as of the date of issue and refund any premiums paid. We will retain any beneficiary designation you made under your conversion policy as the Beneficiary under the group Policy, unless you change the Beneficiary as described under the BENEFICIARY provision in the Certificate. If the conversion policy is not surrendered without claim, then Premiums will not be waived under this rider. The same coverage(s) that would otherwise end due to your termination of Active Employment may not be both continued under this rider and converted.

After your claim is approved, we may periodically request additional proof of your continuing Total Disability, but not more frequently than once every six months.
TERMINATION OF WAIVER OF PREMIUM

We will stop waiving Premiums on the earliest of the following dates:
- The date you are no longer Totally Disabled.
- The date you do not give us proof of Total Disability as requested.
- Your 65th birthday.
- For your Spouse and Children's coverage, the date you die.
- For your Spouse and Children's coverage, the date your Spouse or Children are no longer eligible under the Policy.
- For your Spouse and Children's coverage, the date the Policy terminates.
- For your Spouse and Children's coverage, the date that life insurance is no longer in force for Active Employees under the Policy.

If Premiums are no longer waived, insurance under the Policy will stay in force only if all of the following conditions are met:
- Life insurance is in force for Active Employees under the Policy, and
- You are in an eligible class for coverage under the Policy, and
- Your Premium payments are resumed.

The amount of insurance will be subject to the Certificate and riders in effect on the date your Premium payments are resumed.

You will not be eligible for portability under any Portability Rider on the date we stop waiving your Premiums.

CONVERSION AFTER TERMINATION OF WAIVER OF PREMIUM

When Waiver of Premium under this rider ends, and if the Covered Person is not otherwise eligible for insurance under the Policy, then conversion will be available as described in the CONVERSION provision of the Certificate and riders.

CONVERSION
When this rider terminates, conversion of this rider is not available.

ACCELERATED DEATH BENEFIT
Accelerated death benefit proceeds is the amount we pay to you, while you are living, if you have a Qualifying Event. The accelerated death benefit proceeds are paid only once. This payout is the only settlement option available prior to your death.

The benefit is the amount of the accelerated death benefit shown on the SCHEDULE OF BENEFITS in effect on the date you request accelerated death benefit proceeds.

CONDITIONS FOR THE ACCELERATED DEATH BENEFIT
To receive a benefit payment under this rider, all of the following conditions must be met:

- Any required life insurance Premium is paid through the date you request proceeds under this rider.
- You request proceeds in writing while you are living and before you attain age 65. If you are unable to request payment yourself, your legal representative may request it on your behalf.

Notice of claim includes proof of loss. Proof of loss includes information from your Doctor, at your expense, regarding your medical condition. We may require additional information from the Employer in order to verify eligibility. Proof of loss, including any attachments indicated on the claim form(s) as required, should be sent directly to the Employer. A claim form is available from the Employer.
We have the right to request a second or third medical opinion, at our expense, in order to determine if you are the Covered Person is eligible under the terms of this rider. **BENEFIT PAYMENT**

We pay the benefit proceeds to you immediately upon receipt of due written proof of loss. If you are not the current owner of coverage under the Certificate or riders on the date proceeds are requested under this rider, then while you are living the benefit proceeds are payable to the current owner.

For coverage continued by your Spouse after your death or divorce, any benefit proceeds under this rider are payable to your Spouse. If your Spouse is not the current owner of coverage under the Spouse Life Insurance Rider and Children’s Life Insurance Rider on the date accelerated death benefit proceeds are requested, then the benefit proceeds are payable to the current owner.

For a Qualifying Event other than Terminal Illness, you may elect to receive the benefit proceeds as a lump sum or in monthly installments. You may elect monthly installments equal to 1 through 20% of the full amount of the benefit payable under this rider. The minimum monthly installment is $500. Monthly installments are paid once every 30 days until the full accelerated benefit amount has been paid out. Each monthly installment paid will reduce the remaining death benefit by the same amount.

Any payment we make in good faith will discharge our liability to the extent of such payment.

If you die after you request proceeds under this rider but before any proceeds are received, then the accelerated death benefit claim will be cancelled and any death benefit will be payable under the terms of the Certificate and riders. If any monthly installments are remaining at the time of death, the remaining amount will be payable as a death benefit under the terms of the Certificate and riders.

**EFFECTS ON COVERAGE**

When we pay this benefit, coverage is affected in the following ways:

- Your Life Insurance amount is reduced by the accelerated death benefit proceeds paid under this rider.
- Your life insurance amount that may be converted is reduced by the accelerated death benefit proceeds paid under this rider.
- You will not be eligible to increase your Contributory life insurance amount.
- Premium is based upon the life insurance amount in force prior to any proceeds paid under this rider. Such Premium must be paid, unless waived under the Waiver of Premium Rider, to keep the life insurance coverage in force.
- You will not be able to reinstate your coverage to its full amount in the event of a recovery from a Qualifying Event.

Payment of accelerated death benefits for a Covered Person will not affect the amount of life insurance on other Covered Persons. If any death benefit remains after payment of the accelerated death benefit, coverage under the AD&D Rider will be unaffected by the payment of an accelerated death benefit.

If your Spouse or Child dies during the conversion period, any Spouse or Children’s life insurance amount that you were entitled to convert will be payable according to the CONVERSION provision of your Spouse Life Insurance Rider or Children’s Life Insurance Rider. Any AD&D Insurance amount you are eligible to port will be payable according to the AD&D Rider. Any unearned Premiums paid for portability will be refunded to the Beneficiary.

You do not need to provide Evidence of Insurability in order to apply for portability. You may complete the Evidence of Insurability section of the application if you want to request a lower portability Premium rate. If we accept your application for portability but decline any Evidence of Insurability, you may either pay the standard portability Premium rate or apply for conversion of life insurance within 31 days of the date we provide you written notice of conversion. See the CONVERSION provision of the Certificate and riders. Your coverage must be ported under the terms of this rider in order for Spouse or Children’s coverage to be ported.

Your application for portability must be approved by us. When we approve your application, ported coverage under this rider will be effective on the day after the conversion period ends. Premiums under this rider will be billed directly to you on a quarterly basis. Each quarterly Premium due will include a billing fee as indicated on the portability application or subsequent notice. Continued Premium payment is required to keep coverage in force. The initial Premium will be based on the portability Premium rates in effect at the time you apply for portability. We may change the portability Premium rates at any time upon 90 days written notice to you.

If you have made an absolute assignment of your insurance, only the current owner may apply for portability.

MISSTATEMENT OF EVIDENCE OF INSURABILITY FOR EMPLOYEE PORTABILITY
If your or your Spouse’s Premium rates are based on Evidence of Insurability as provided on your application for portability, and you or your Spouse have misstated any information requested on the application for portability such that the lower Premium rates would not have been approved by us, then we will adjust your or your Spouse’s Premium to the standard portability Premium rates. Any back Premium due as a result of this adjustment will be required. We will not adjust your or your Spouse’s Premium after coverage has been continued under this rider for two years during your or your Spouse’s lifetime.

GRACE PERIOD FOR EMPLOYEE PORTABILITY
You have a grace period of 31 days for the payment of any Premium due. During the grace period coverage will remain in force. If full Premium payment is not received by us by the due date, we will give written notification to you that if the Premium is not paid by the end of the grace period then all coverage will end on the last day of the grace period. If we fail to give such written notice, coverage will continue in effect until the date such notice is given. We may extend the grace period by giving written notice of such intent to you, and such notice will specify the date all coverage will terminate if the Premium remains unpaid. You are required to pay a pro rata Premium for any period coverage was in force during the grace period. Premium payment is required for any grace period, any extension of such period, and any period for which coverage was in force and Premium was not paid.

TERMINATION OF EMPLOYEE PORTABILITY
Coverage continued under this provision will end on the earliest of the following:
• The end of the period for which Premiums are paid if the next Premium is not paid by its due date, subject to the grace period.
• The date you attain age 70.
• The date you die.
• The date we approve a claim under the Waiver of Premium Rider.

You may apply for conversion of any life insurance amount(s) that terminate when portability under this rider ends, other than for nonpayment of Premium or at your death. Your surviving Spouse and Children may apply for conversion of any Spouse and Children’s life insurance amount(s) that terminate when you die. See the CONVERSION provision of the Certificate and riders.
Any unearned Premiums paid for ported coverage will be refunded.

**PORTABILITY AT DEATH OR DIVORCE**

If you die, your Spouse can apply to continue coverage under the same Policy if certain conditions are met. Continued coverage following your death includes the following:
- Spouse Life Insurance under the Spouse Life Insurance Rider
- Children’s Life Insurance under the Children’s Life Insurance Rider

If you divorce, your Spouse can apply to continue coverage under the same Policy if certain conditions are met. Your Spouse’s continued coverage following divorce includes the following:
- Spouse Life Insurance under the Spouse Life Insurance Rider

For purposes of this rider, “divorce” includes annulment.

**CONDITIONS FOR PORTABILITY AT DEATH OR DIVORCE**

All of the following conditions must be met:
- Your Spouse must have been insured under your Spouse Life Insurance Rider on the date of your death or divorce.
- Your Spouse must apply for portability before the date your Spouse attains age 60.
- Your Spouse must apply for portability within 31 days of your death or divorce.

Your Spouse will be given notice of portability and conversion rights when your Spouse’s life insurance ends due to death or divorce. Your Spouse’s portability rights will expire on the later of 16 days after your Spouse is given such notice or the end of the conversion period, but in no event will your Spouse’s portability rights extend beyond 60 days after the expiration of the conversion period.

Children may be covered following your death only if they would have been eligible for coverage under the eligibility rules in force prior to your death.

Conversion is available for any terminating life insurance amount(s) that are not eligible for portability. See the CONVERSION provision of the riders. Any amounts of life insurance for which an application for conversion has been received by us are not eligible for portability under this rider.

**APPLICATION FOR PORTABILITY AT DEATH OR DIVORCE**

Your Spouse may apply for portability of the same amount of insurance that would otherwise terminate or a lesser amount according to the available amounts on the portability application. Your Spouse must apply for portability of Spouse insurance in order to continue Children’s insurance. Your Spouse may only apply for portability of Children’s Insurance in the event of your death. The amount(s) that can be continued under this provision are subject to the following maximum(s):
- $300,000 total Spouse Life Insurance
- $10,000 total Children’s Life Insurance, not to exceed the total amount of Spouse Life ported

Conversion is available for any life insurance amounts that exceed the maximum amount(s) eligible for portability under this provision. See the CONVERSION provision of the riders. Your Spouse will not be eligible to increase the ported coverage amount. Ported coverage is subject to all the terms of the Policy, Certificate and any riders.

If your Spouse dies within 31 days of the date your Spouse becomes eligible for portability under this provision (the “conversion period”), any Spouse life insurance amount that was eligible for conversion will be payable according to the CONVERSION provision of the Spouse Life Insurance Rider. If your Child dies during the conversion period, any Children’s life insurance amount that was eligible for conversion on that Child will be payable according to the CONVERSION provision of the Children’s Life Insurance Rider. Any unearned Premiums paid for portability will be refunded to the Beneficiary.

Your Spouse does not need to provide Evidence of Insurability in order to apply for portability. Your Spouse may complete the Evidence of Insurability section of the application if your Spouse wants to request a lower portability Premium rate. If we accept your Spouse’s application for portability but decline your Spouse’s Evidence of Insurability, your Spouse may either pay the standard portability Premium rate or apply for conversion of life insurance within 31
days of the date we provide your Spouse written notice of conversion. See the CONVERSION provision of the riders. Spouse coverage must be ported under the terms of this rider in order for Children’s coverage to be ported.

If we approve your Spouse’s application for portability, your Spouse will become the owner of the Spouse coverage that was previously provided under your Spouse Life Insurance Rider. If Children’s coverage is ported after your death, your Spouse will also become the owner of the Children’s coverage that was previously provided under your Children’s Life Insurance Rider. Ported coverage under this provision will be effective on the day after the conversion period ends. Premiums under this provision will be billed directly to your Spouse on a quarterly basis. Each quarterly Premium due will include a billing fee as indicated on the portability application or subsequent notice. Continued Premium payment is required to keep coverage in force. The initial Premium will be based on the portability Premium rates in effect at the time your Spouse applies for portability. We may change the portability Premium rates at any time upon 90 days written notice to your Spouse.

If you have made an absolute assignment of your insurance, the current owner’s rights under the Policy will terminate on the date of your death. The current owner’s rights regarding your Spouse’s insurance will terminate on the date of your divorce. Your Spouse as the new owner under this provision may make an absolute assignment of insurance, as described in the ASSIGNMENT provision of the Certificate.

BENEFICIARY FOR PORTABILITY AT DEATH OR DIVORCE
For coverage continued under this provision, the Beneficiary is named by your Spouse to receive any proceeds payable at your Spouse’s death. While your Spouse’s coverage is in force under this provision, your Spouse may change the Beneficiary by Written request on a form that is acceptable to us. A Beneficiary designation form is available from us. An accepted designation will take effect as of the date it is Signed but will not affect any payment we make or action we take before receiving the Signed form. If your Spouse has made an absolute assignment of insurance, only the current owner may change the Beneficiary designation for proceeds payable at your Spouse’s death.

If an irrevocable Beneficiary is named for proceeds payable at your Spouse’s death, the Beneficiary designation can only be changed with the consent of the irrevocable Beneficiary.

There can be one or more Beneficiaries for proceeds payable at your Spouse’s death. If two or more Beneficiaries are named and their shares are not specified in the Beneficiary designation, then the Beneficiaries will share any insurance proceeds equally. If a primary Beneficiary does not survive your Spouse, their share will be payable to the remaining primary Beneficiaries. One or more contingent Beneficiaries may be named to receive the proceeds in the event that all of the primary Beneficiaries named do not survive your Spouse.

Your Spouse is the Beneficiary for all other proceeds payable. This Beneficiary designation may not be changed. If your Spouse has made an absolute assignment of insurance, then during your Spouse’s lifetime those proceeds are payable to the current owner.

PAYMENT OF PROCEEDS FOR PORTABILITY AT DEATH OR DIVORCE
For coverage continued under this provision, a Spouse death benefit is payable if your Spouse dies while the Spouse Life Insurance Rider is in force. Other benefits are payable if a covered loss occurs while coverage is in force, and while your Spouse is living. See the CONVERSION provision of the Children’s Life Insurance Rider for information about death benefits payable during the conversion period following your Spouse’s death.

To be eligible to receive proceeds, the Beneficiary must be living on the date of your Spouse’s or Child’s death or loss under any rider. Exception: If your Child dies during the conversion period following your Spouse’s death and your Spouse would otherwise have been the Beneficiary, we will pay the Child death benefit proceeds to your Spouse’s estate.

If the Beneficiary is eligible to receive proceeds but dies before receiving them, we will pay the proceeds to the Beneficiary’s estate. If there is no eligible Beneficiary, we will pay the proceeds to your Spouse’s estate.

MISSTATED EVIDENCE OF INSURABILITY FOR PORTABILITY AT DEATH OR DIVORCE
If your Spouse’s Premium rates are based on Evidence of Insurability as provided on your Spouse’s application for portability, and your Spouse has misstated any information requested on the application for portability such that the lower Premium rates would not have been approved by us, then we will adjust your Spouse’s Premium to the standard
portability Premium rates. Any back Premium due as a result of this adjustment will be required. We will not adjust your Spouse’s Premium after coverage has been continued under this rider for two years during your Spouse’s lifetime.

**GRACE PERIOD FOR PORTABILITY AT DEATH OR DIVORCE**

Your Spouse has a grace period of 31 days for the payment of any Premium due. During the grace period coverage will remain in force. If full Premium payment is not received by us by the due date, we will give written notification to your Spouse that if the Premium is not paid by the end of the grace period then all coverage will end on the last day of the grace period. If we fail to give such written notice, coverage will continue in effect until the date such notice is given. We may extend the grace period by giving written notice of such intent to your Spouse, and such notice will specify the date all coverage will terminate if the Premium remains unpaid. Your Spouse is required to pay a pro rata Premium for any period coverage was in force during the grace period. Premium payment is required for any grace period, any extension of such period, and any period for which coverage was in effect and Premium was not paid.

**TERMINATION OF PORTABILITY AT DEATH OR DIVORCE**

Coverage continued under this provision will end on the earliest of the following:

- The end of the period for which Premiums are paid if the next Premium is not paid by its due date, subject to the grace period.
- The date your Spouse attains age 70.
- The date your Spouse dies.
- For each Child’s coverage, the date the Child is no longer an eligible Child as defined by the Children’s Life Insurance Rider. Coverage of a disabled Child ends when there is no longer evidence satisfactory to us that the incapacity is continuing.
- For Children’s coverage, the date there are no longer any eligible Children covered under the Children’s Life Insurance Rider.

If your Spouse is continuing coverage under this provision and then later your Spouse becomes eligible as an Active Employee under the Policy, then any amount(s) of coverage continued under this rider will be reduced by the amount(s) of coverage your Spouse has as an Active Employee. Any unearned Premiums paid for ported coverage will be refunded.

**CONVERSION FOR TERMINATION OF PORTABILITY AT DEATH OR DIVORCE**

Your Spouse may convert any life insurance amounts that stop when portability under this provision ends for any reason other than nonpayment of Premium, or your Spouse's death, or your Child reaching the termination age under the Children’s Life Insurance Rider. Conversion is also available for any part of Spouse life insurance that reduces due to a Policy change. Conversion is also available for any part of Children's life insurance that reduces due to a Policy change. See the CONVERSION provision of the rider(s). If your Spouse has made an absolute assignment of insurance, only the current owner may apply for conversion under this paragraph.

Your Child may convert any Children’s life insurance amount that stops under the Children’s Life Insurance Rider due to your Child reaching the termination age under that rider, or when portability under this rider ends due to your Spouse’s death. If a Child is too young to contract for life insurance after your Spouse's death, then a parent or a court-appointed guardian of the Child may apply for conversion of that Child's coverage. See the CONVERSION provision of the rider.
This rider is made a part of the Group Term Life Insurance Certificate and is subject to all of the provisions, limitations and exclusions of the Policy and Certificate, unless changed by this rider. Unless expressly changed by this rider, the terms used in this rider have the same meaning as in the Certificate.

If you are eligible for AD&D coverage, you must enroll for any Contributory AD&D coverage before the coverage will become effective. We or the Employer will provide you with the forms or information needed to complete your enrollment.

No enrollment is required if the Policy replaces a group policy issued by us or by another insurance company, and you were covered under the prior policy on the day before that policy was replaced by our Policy. The amount of Contributory AD&D coverage that becomes effective on our Policy effective date will be at the same level as under the prior policy, subject to the terms of our Policy including any maximum coverage amounts under our Policy.

EFFECTIVE DATE
For Noncontributory coverage, each Covered Person will be covered at 12:01 a.m. standard time at the Policyholder's address on the date the Covered Person is eligible for coverage.

- The date you return to Active Employment, if you are not in Active Employment when the Covered Person’s coverage would otherwise become effective.

Any decrease in coverage will take effect at the end of the month but will not affect a payable claim that occurs prior to the decrease.

TERMINATION
This rider will terminate on the earliest of the following:
- The date your life insurance terminates.
- The date this rider is terminated for all Employees under the Policy.
- The end of the period for which Premiums for this rider are paid if the next Premium is not paid by its due date, subject to the grace period.
- The date you voluntarily cancel this rider in Writing, as allowed by the Employer unless prohibited by federal and state law.

Termination will not prejudice the payment of benefits for a covered loss caused by an Accidental Injury that occurs while the Covered Person is insured under this rider.

CONVERSION
When coverage under this rider terminates, conversion of AD&D coverage to an individual policy is not available.
INCONTESTABILITY
Any statement made by you is considered a representation and not a warranty. Except for fraud, we will not use such statement to contest insurance under this rider after it has been in force for two years during the Covered Person’s lifetime. Except for fraud, we will not use such statement to contest an increase or benefit addition to such insurance, after the increase or benefit has been in force for two years during the Covered Person’s lifetime. Fraud in the procurement of coverage under the Policy is only contestable after the coverage has been in force for two years from its effective date when permitted by applicable law in the governing jurisdiction.

The statement on which any contest is based must be material to the risk accepted or the hazard assumed by us.

AD&D BENEFITS

We will pay an AD&D benefit according to the SCHEDULE OF BENEFITS if a Covered Person suffers a covered loss (as described below) as the result of an Accidental Injury. The Covered Person must be insured under this rider on the date of the Accidental Injury, and the cause of the loss must not be excluded.

If any benefit described below indicates that it is payable to you if living, and you are not the current owner of coverage under the Certificate or riders on the date of the loss, then those benefit proceeds are payable to the current owner.

See the Portability Rider for information about the eligible Beneficiary for continued coverage after your death or divorce.

Accidental Death
A benefit is payable to the Beneficiary if an Accidental Injury causes a Covered Person’s death within 180 days of the Accidental Injury. See the Certificate and riders for more information about the Beneficiary.

We will presume that the Covered Person died as a result of Accidental Injury if all of the following are true:

- The conveyance in which the Covered Person was traveling (including but not limited to an automobile, airplane, ship or train) disappears, sinks or is wrecked.
- The body of the Covered Person is not found.
- A reasonable period of time, but not more than 365 days has lapsed from the later of the date the conveyance was scheduled to arrive at its destination or the date the Covered Person was reported missing to the authorities.

If we pay an Accidental Death benefit due to the Covered Person’s disappearance and it is later found that the Covered Person is alive, the benefits paid must be refunded to us.

Accidental Dismemberment
A benefit is payable if an Accidental Injury causes a Covered Person’s loss of a covered limb or appendage within 180 days of the Accidental Injury. The types of and benefit amounts for covered Accidental Dismemberment losses are shown on the SCHEDULE OF BENEFITS. Accidental Dismemberment benefits are payable to you if living, otherwise to the Beneficiary.

If Accidental Injury causes more than one loss to the same covered limb or appendage, only the largest benefit for the loss will be payable.

Other Accidental Loss
A benefit is payable if an Accidental Injury causes a Covered Person’s loss as described below. The benefit amounts for these covered losses are shown on the SCHEDULE OF BENEFITS. These benefits are payable to you if living, otherwise to the Beneficiary.

Additional Accident Benefits
When a benefit is payable under this rider for Accidental Death, Accidental Dismemberment or Other Accidental Loss, an Additional Accident Benefit may be payable under the terms described below. The additional benefit amounts are shown on the SCHEDULE OF BENEFITS. These benefits are payable to you if living, otherwise to the Beneficiary.

Safety Belt use: The Accidental Injury causing death occurs while the Covered Person is riding in an Automobile equipped with Safety Belts, and the Covered Person was wearing a properly fastened Safety Belt at the time of the Accidental Injury.

If the accident report or other accident records can’t verify the Safety Belt use, and payment of this benefit would not otherwise be excluded, then a flat benefit amount of $1,000 is payable.

This benefit is not payable if the death was caused or contributed to by any use of intoxicating liquors, marijuana, narcotic drugs, depressants or similar substances, whether or not prescribed by a Doctor, by the Covered Person or by the driver of the Automobile in which the Covered Person was riding.

Airbag use: The Accidental Injury causing death occurs while the Covered Person is riding in an Automobile equipped with an Airbag for the Covered Person’s seat in which the Airbag for the Covered Person’s seat operated properly upon impact at the time of the Accidental Injury. The Covered Person must also have been wearing a properly fastened Safety Belt at the time of the Accidental Injury.

If the accident report or other accident records can’t verify the Airbag use, and payment of this benefit would not otherwise be excluded, then a flat benefit amount of $1,000 is payable.

This benefit is not payable if the death was caused or contributed to by any use of intoxicating liquors, marijuana, narcotic drugs, depressants or similar substances, whether or not prescribed by a Doctor, by the Covered Person or by the driver of the Automobile in which the Covered Person was riding.

Transportation/Repatriation: The Covered Person’s accidental death occurs at least 100 miles from the Covered Person’s primary residence.

Child Care: Your dependent child under age 13 is enrolled in Child Care within 31 days of the date of your death for which a benefit is payable under this rider. The Beneficiary must provide proof annually that your child remains eligible. Benefits will stop when your child is no longer eligible.

If you do not have an eligible dependent child, a flat benefit amount of $1,000 is payable.

Child education: Your dependent child is enrolled as a full-time student in an accredited post-secondary institution of higher learning beyond grade 12 within 365 days following the date of your death for which a benefit is payable under this rider. To be considered full-time, your child’s full-time school attendance must be 6 months or more in each annual period following the loss. Benefits are payable at the end of each annual period following the loss. The Beneficiary must provide proof annually that your child remains eligible. Benefits will stop when your child is no longer eligible.

A dependent child for this benefit has the same meaning as a Child under the Children’s Life Insurance Rider.

Spouse education: Your spouse is enrolled as a full-time student in an accredited post-secondary institution of higher learning beyond grade 12 within 365 days following the date of your death for which a benefit is payable under this rider. To be considered full-time, your spouse’s full-time school attendance must be 6 months or more in each annual period following the death. Benefits are payable at the end of each annual period following the death. The Beneficiary must provide proof annually that your spouse remains eligible. Benefits will stop when your spouse is no longer eligible.

A spouse for this benefit has the same meaning as a Spouse under the Spouse Life Insurance Rider.
**Occupational assault:** Your loss for which a benefit is payable under this rider is the result of an intentional and unlawful act of physical violence directed at you by another person while you were performing assigned duties of your employment with the Employer. A report of criminal activity must be filed by you or on your behalf with the appropriate law enforcement authority within 48 hours of the assault. If an occupational assault benefit and a line of duty benefit would be otherwise payable for the same loss, then only the larger of the benefits will be payable.

**Line of duty:** Your loss for which a benefit is payable under this rider is the result of an Accidental Injury that occurs while you were performing assigned duties of your employment with the Employer and while in the line of duty. Line of duty means any action that you are authorized or obligated to perform by law, rule, regulation or condition of employment or service. If a line of duty benefit and an occupational assault benefit would be otherwise payable for the same loss, then only the larger of the benefits will be payable.

**NOTICE OF CLAIM AND PROOF OF LOSS**

You or the Beneficiary must send us written notice of claim within 90 days after the date of loss. Failure to give notice within 90 days will not invalidate or reduce any claim if it is shown not to have been reasonably possible to give such notice and that notice was given as soon as was reasonably possible.

Notice of claim includes proof of loss. Proof of loss for a death claim consists of a certified copy of the Covered Person’s death certificate or other lawful evidence providing equivalent information, and proof of the claimant’s interest in the proceeds. Proof of loss for any other claim consists of information from the Covered Person’s Doctor, at your expense, regarding the Covered Person’s loss that is covered under this rider. We may require additional information from the Employer in order to verify eligibility. Proof of loss, including any attachments indicated on the claim form(s) as required, should be sent directly to us at the address indicated on the form(s). A claim form is available from the Employer or us.

We will review proof of loss we receive in order to determine our liability and the correct payee(s).

**PHYSICAL EXAMINATION**

We may require the Covered Person to be examined, at our expense, by one or more Doctors or other medical practitioners of our choice. We can require an examination as often as it is reasonable to do so for the duration of a claim.

NOTICE OF PROTECTION PROVIDED BY
CALIFORNIA LIFE AND HEALTH INSURANCE GUARANTEE ASSOCIATION

This notice provides a brief summary regarding the protections provided to policyholders by the California Life and Health Insurance Guarantee Association (“the Association”). The purpose of the Association is to assure that policyholders will be protected, within certain limits, in the unlikely event that a member insurer of the Association becomes financially unable to meet its obligations. Insurance companies licensed in California to sell life insurance, health insurance, annuities and structured settlement annuities are members of the Association. The protection provided by the Association is not unlimited and is not a substitute for consumers’ care in selecting insurers. This protection was created under California law, which determines who and what is covered and the amounts of coverage.

Below is a brief summary of the coverages, exclusions and limits provided by the Association. This summary does not cover all provisions of the law; nor does it in any way change anyone’s rights or obligations or the rights or obligations of the Association.

COVERAGE

- **Persons Covered**
  Generally, an individual is covered by the Association if the insurer was a member of the Association and the individual lives in California at the time the insurer is determined by a court to be insolvent. Coverage is also provided to policy beneficiaries, payees or assignees, whether or not they live in California.

- **Amounts of Coverage**
  The basic coverage protections provided by the Association are as follows.

  - **Life Insurance, Annuities and Structured Settlement Annuities**
    For life insurance policies, annuities and structured settlement annuities, the Association will provide the following:
    
    - **Life Insurance**
      80% of death benefits but not to exceed $300,000
      80% of cash surrender or withdrawal values but not to exceed $100,000
    
    - **Annuities and Structured Settlement Annuities**
      80% of the present value of annuity benefits, including net cash withdrawal and net cash surrender values but not to exceed $250,000

    The maximum amount of protection provided by the Association to an individual, for all life insurance, annuities and structured settlement annuities is $300,000, regardless of the number of policies or contracts covering the individual.

  - **Health Insurance**
    The maximum amount of protection provided by the Association to an individual, as of July 1, 2016, is $546,741. This amount will increase or decrease based upon changes in the health care cost component of the consumer price index to the date on which an insurer becomes an insolvent insurer. Changes to this amount will be posted on the Association’s website www.califega.org.
COVERAGE LIMITATIONS AND EXCLUSIONS FROM COVERAGE

The Association may not provide coverage for this policy. Coverage by the Association generally requires residency in California. You should not rely on coverage by the Association in selecting an insurance company or in selecting an insurance policy.

The following policies and persons are among those that are excluded from Association coverage:

- A policy or contract issued by an insurer that was not authorized to do business in California when it issued the policy or contract
- A policy issued by a health care service plan (HMO), a hospital or medical service organization, a charitable organization, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company, an insurance exchange, or a grants and annuities society
- If the person is provided coverage by the guaranty association of another state.
- Unallocated annuity contracts; that is, contracts which are not issued to and owned by an individual and which do not guaranty annuity benefits to an individual
- Employer and association plans, to the extent they are self-funded or uninsured
- A policy or contract providing any health care benefits under Medicare Part C or Part D
- An annuity issued by an organization that is only licensed to issue charitable gift annuities
- Any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as certain investment elements of a variable life insurance policy or a variable annuity contract
- Any policy of reinsurance unless an assumption certificate was issued
- Interest rate yields (including implied yields) that exceed limits that are specified in Insurance Code Section 1607.02(b)(2)(C).

NOTICES

Insurance companies or their agents are required by law to give or send you this notice. Policyholders with additional questions should first contact their insurer or agent. NOTICE CONCERNING POLICYHOLDER RIGHTS IN AN INSOLVENCY UNDER THE MINNESOTA LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION LAW

If the insurer or health maintenance organization that issued your life, annuity or health insurance policy becomes impaired or insolvent, you are entitled to compensation for your policy or contract from the assets of that insurer. The amount you recover will depend on the financial condition of the insurer or the health maintenance organization.

In addition, residents of Minnesota who purchase life insurance, annuities, health insurance, or health maintenance coverage from insurance companies authorized to do business in Minnesota are protected, SUBJECT TO LIMITS AND EXCLUSIONS, in the event the insurer or health maintenance organization becomes financially impaired or insolvent. This protection is provided by the Minnesota Life and Health Insurance Guaranty Association.

For purposes of this notice, the terms "insurance company" and "insurer" include health maintenance organizations.

Minnesota Life and Health Insurance Guaranty Association
3300 Wells Fargo Center
90 South Seventh Street
Minneapolis, Minnesota 55402
Telephone: (612) 322-8713

The maximum amount the Guaranty Association will pay for all policies or contracts issued on one life by the same insurer or health maintenance organization is limited to $500,000. Subject to this $500,000 limit, the Guaranty Association will pay up to $500,000 in life insurance death benefits, $130,000 in net cash surrender and net cash withdrawal values for life insurance, $500,000 in health insurance, health maintenance organization, and long-term care benefits, including any net cash surrender and net cash withdrawal values, $500,000 in disability income insurance, $250,000 in annuity net cash surrender and net cash withdrawal values, $410,000 in the present value of annuity benefits for annuities which are part of a structured settlement or for annuities in regard to which periodic annuity benefits, for a period of not less than the annuitant's lifetime or for a period certain of not less than ten years, have begun to be paid on or before the date of impairment or insolvency, or if no coverage limit has been specified for a covered policy or benefit, the coverage limit shall be $500,000 in present value. Unallocated annuity contracts issued to retirement plans, other than defined benefit plans, established under section 401, 403(b), or 457 of the Internal Revenue code of 1986, as amended through December 31, 1992, are covered up to $250,000 in net cash surrender and net cash withdrawal values, for Minnesota residents covered by the plan provided, however, that the association shall not be responsible for more than $10,000,000 in claims from all Minnesota residents covered by the plan. If total claims exceed $10,000,000, the $10,000,000 shall be prorated among all claimants. These are the maximum claim amounts. Coverage by the Guaranty Association is also subject to other substantial limitations and exclusions and requires continued residency in Minnesota. If your claim exceeds the Guaranty Association's limits you may still recover a part or all of that amount from the proceeds of the liquidation of the insolvent insurer, if any exist. Funds to pay claims may not be immediately available. The Guaranty Association assesses insurers and health maintenance organizations licensed to sell life and health insurance in Minnesota after the insolvency occurs. Claims are paid from this assessment.

Benefits provided by a long-term care rider to a life insurance policy or annuity contract shall be considered the same type of benefits as the base life insurance policy or annuity contract to which it relates.

THE COVERAGE PROVIDED BY THE GUARANTY ASSOCIATION IS NOT A SUBSTITUTE FOR USING CARE IN SELECTING INSURANCE COMPANIES THAT ARE WELL MANAGED AND FINANCIALLY STABLE. IN SELECTING AN INSURANCE COMPANY CONTRACT OR POLICY, YOU SHOULD NOT RELY ON COVERAGE BY THE GUARANTY ASSOCIATION.

THIS NOTICE IS REQUIRED BY MINNESOTA STATE LAW TO ADVISE POLICYHOLDERS OF LIFE, ANNUITY, HEALTH INSURANCE, OR HEALTH MAINTENANCE ORGANIZATION POLICIES AND CONTRACTS OF THEIR RIGHTS IN THE EVENT THEIR INSURANCE CARRIER BECOMES FINANCIALLY IMPAIRED OR INSOLVENT. THIS NOTICE IN NO WAY IMPLIES THAT THE COMPANY CURRENTLY HAS ANY TYPE OF FINANCIAL PROBLEMS. ALL LIFE, ANNUITY, HEALTH INSURANCE, AND HEALTH MAINTENANCE ORGANIZATION POLICIES AND CONTRACTS ARE REQUIRED TO PROVIDE THIS NOTICE.
MONTANA CERTIFICATE ENDORSEMENT
for Group Term Life Insurance

Your Certificate has been changed to include this endorsement. Please keep this endorsement with your Certificate. This endorsement is subject to all other terms of the Policy, Certificate, riders and endorsements issued.

GENERAL PROVISIONS
The following paragraph is added to the INCONTESTABLITY provision in your Certificate:

The Policy also has an INCONTESTABILITY provision. Any statement made by the Policyholder is considered a representation and not a warranty. We will not use such statement to avoid insurance, reduce benefits or defend a claim unless the statement is included in a Written application which has been made a part of the Policy. Except for fraud, we will not use such statement to contest life insurance after it has been in force for two years from its effective date. Fraud in the procurement of the Policy is only contestable after the Policy has been in force for two years from its effective date when permitted by applicable law in the governing jurisdiction. The statement on which any contest is based must be material to the risk accepted or the hazard assumed by us.

The following provisions are added to your Certificate:

GRACE PERIOD
The Policyholder has a grace period of 31 days for the payment of any Premium due except the first. During the grace period the Policy will remain in force. There is no grace period if the Policyholder gives us advance written notice of termination, or if we have given the Policyholder advance written notice of termination, as described under the POLICY TERMINATION provision.

If full Premium payment is not received by us by the due date, we will give Written notification to the Policyholder that if the Premium is not paid by the end of the grace period then the Policy will end on the last day of the grace period. If we fail to give such Written notice, the insurance provided under the Policy will continue in effect until the date such notice is given. We may extend the grace period by giving Written notice of such intent to the Policyholder, and such notice will specify the date the Policy will terminate if the Premium remains unpaid.

If the Policyholder replaces this Policy with another group policy but does not give us Written notice of intent to terminate this Policy, then this grace period provision will still apply.

The Policyholder is required to pay a pro rata Premium for any period the Policy was in force during the grace period. Premium payment is required for any grace period, any extension of such period, and any period for which insurance under this Policy was in effect and Premium was not paid.

CONFORMITY WITH MONTANA STATUTES
The provisions of the Certificate conform to the minimum requirements of Montana law and control over any conflicting statutes of any state in which you reside on or after the effective date of your coverage under the Policy.
LIFE INSURANCE BENEFITS
The following paragraph is added to the PAYMENT OF INTEREST provision in your Certificate:

If payment of proceeds is made after the first 30 days following the date we receive proof of death, the interest rate from the 30th day until the date of payment will be the greater of these:

- The monthly average discount rate on 90-day AA asset-backed commercial paper in effect at the federal reserve bank in the ninth federal reserve district on the date proof of death is received.
- The rate stated in your Certificate.

Melissa A. O'Donnell
Secretary
OREGON ACCELERATED BENEFIT DISCLOSURE
for Group Term Life Insurance

Please keep this disclosure with your Certificate.

Your Certificate includes an Accelerated Death Benefit Rider that provides a benefit if a covered person is diagnosed with a Qualifying Event. This rider provides payment of a percentage of the death benefit otherwise payable, as noted in the rider, while the covered person is living. The accelerated death benefit payment reduces the amount of life insurance payable at death.

“Qualifying Event” means either of the following:
- Terminal Illness.
- A medical condition that is reasonably expected to require continuous confinement in an institution and the covered person is expected to remain there for the rest of his or her life.

“Terminal Illness” means a medical condition that is expected to result in the covered person’s death within 12 months and from which there is no reasonable chance of recovery.

The cost of the accelerated death benefit is incorporated into the cost of life insurance and is not a separately identifiable premium. When an eligible claim is paid, an administrative expense charge may be subtracted from the payment.

Following payment of accelerated death benefits, future life insurance premiums for the covered person will be waived.

Please refer to the rider for the provisions that relate to your Certificate.

The receipt of accelerated death benefits may be a taxable event, and you should seek additional information about the tax status of the payment from a personal tax advisor.
NOTICE OF PROTECTION PROVIDED BY
PENNSYLVANIA LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION

This notice provides a brief summary regarding the protections provided to the policyholders by the Pennsylvania Life and Health Insurance Guaranty Association ("the Association"). This protection was created under Pennsylvania law, which determines who and what is covered and the amounts of coverage.

The Association was established to provide protection in the unlikely event that your member life, annuity, or health insurance company, RANLI PPO, hospital plan corporation, professional health services plan corporation or health maintenance organization (member insurer) becomes financially unable to meet its obligations. If this should happen, the Association will typically arrange to provide coverage, pay claims, or otherwise provide protection in accordance with Pennsylvania law. The protection provided by the Association is not unlimited and is not a substitute for consumers’ care in selecting companies that are well managed and financially stable.

Below is a brief summary of the coverages, exclusions and limits provided by the Association. This summary does not cover all provisions of the law; nor does it in any way change anyone’s rights or obligations or the rights or obligations of the Association.

COVERAGE

Persons Covered

Generally, individuals will be protected by the Association if the member insurer was a member of the Association and the individual lives in Pennsylvania at the time the member insurer is determined by a court to be insolvent. Coverage is also provided to policy beneficiaries, payees or assignees of such individuals.

Amounts of Coverage

The basic coverage protections provided by the Association per insured in each insolvency are limited in the aggregate to $300,000 (or $500,000 in the case of health benefit plans), including specific limits for the following types of coverage but not in excess of the contractual obligations of the member insurer;

Life insurance:
• Up to $300,000 in death benefits including up to $100,000 in net cash surrender or withdrawal value.

Accident, accident and health, or health insurance (including HMOs):
• Up to $500,000 for health benefit plans, with some exceptions.
• Up to $300,000 for disability income benefits.
• Up to $300,000 for long-term care insurance benefits.
• Up to $100,000 for all other types of health insurance.

Individual Annuities
• Up to $250,000 in the present value of benefits, including cash surrender and net cash withdrawal values.

LIMITATIONS AND EXCLUSIONS FROM COVERAGE

The Association also does not provide coverage for:
• any policy or contract or portion of a policy or contract which is not guaranteed by the member insurer or for which the individual has assumed the risk, such as a variable contract sold by prospectus;
• claims based on marketing materials or other documents which are not approved policy or contract forms, claims based on misrepresentations of policy or contract benefits, and other extra-contractual claims;
• any policy of reinsurance (unless an assumption certificate was issued);
• interest rate yields or increases based on an index that exceed an average rate specified by statute;
• dividends, experience rating credits, or credits given in connection with the administration of a policy or contract by a group contract holder;
• employers’ plans that are self-funded (that is, not insured by member insurer, even if member insurer administers them);
• unallocated annuity contracts (which give rights to group contract holders, not individuals) other than in limited circumstances and amounts;
• certain contracts which establish benefits by reference to a portfolio of assets not owned by the member insurer; or
• policies providing health care benefits for Medicare Parts C or D coverage, for Medicaid or under the Pennsylvania program for Comprehensive Health Care for Uninsured Children.

The following policies and persons are among those that are excluded from Association coverage:
• A policy or contract issued by an insurer that was not authorized to do business in Pennsylvania when it issued the policy or contract.
• If the person is provided coverage by the guaranty association of another state.
• A policy issued by a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company or similar plan in which the policyholder is subject to future assessments, or by an insurance exchange.

NOTICES

Member insurers or their agents are required by law to give or send you this notice, and are prohibited by law from using the existence of the Association to induce you to purchase any kind of insurance or other coverage. You can obtain additional information from the Association by contacting it at the address below. NOTICE CONCERNING COVERAGE LIMITATIONS AND EXCLUSIONS UNDER THE SOUTH DAKOTA LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION ACT

Residents of South Dakota who purchase life insurance, annuities or health insurance should know that the insurance companies licensed in this state to write these types of insurance are members of the South Dakota Life and Health Insurance Guaranty Association. The purpose of this association is to assure that policy owners, contract owners, and certificate owners will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this should happen, the Guaranty Association will assess its other member insurance companies for the money to pay the claims of insured persons who live in this state and, in some cases, to keep coverage in force. The valuable extra protection provided by these insurers through the Guaranty Association is not unlimited, however. And, as noted in the box below, this protection is not a substitute for consumers' care in selecting companies that are well-managed and financially stable.

The Guaranty Association does not provide coverage for all types of life, health, or annuity benefits, and the Guaranty Association may not provide coverage for this policy or contract. If coverage is provided, it may be subject to substantial limitations or exclusions, and required continued residency in South Dakota. You should not rely on coverage by the South Dakota Life and Health Insurance Guaranty Association in selecting an insurance company or in selecting an insurance policy or contract.

Coverage is NOT provided for your policy or contract for any portion of it that is not guaranteed by the insurer or for which you have assumed the risk, such as a variable contract sold by prospectus.

Insurance companies or their agents are required by law to give or send you this notice. However, insurance companies and their agents are prohibited by law from using the existence of the Guaranty Association for the purpose of sales, solicitation, or inducement to purchase any kind of insurance policy or contract.

The state law that provides for this safety-net coverage is called the South Dakota Life and Health Insurance Guaranty Association Act. Below is a brief summary of this law's coverages, exclusions and limits. This summary does not cover all provisions of the law, nor does it in any way change anyone's rights or obligations under the act or the rights or obligations of the Guaranty Association.

COVERAGE
Generally, individuals will be protected by the Guaranty Association if they live in this state and hold a life or health insurance contract, or an annuity, or if they are an insured certificateholder under a group insurance contract, issued by a member insurer. The beneficiaries, payees or assignees of insured persons are protected as well, even if they live in another state. Coverage is also provided by the Guaranty Association to persons eligible to receive payment under structured settlement annuities who are residents of this state and, under certain conditions, such persons even if they are not a resident of this state.

EXCLUSIONS FROM COVERAGE
However, persons holding such policies are not protected by the Guaranty Association if:

- they are eligible for protection under the laws of another state (this may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside that state);
- the insurer was not authorized to do business in this state;
- their policy or contract was issued by an HMO, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company or similar plan in which the policy owner, contract owner or certificate owner is subject to future assessments, or by an insurance exchange.

The Guaranty Association also does not provide coverage for:

- any policy or contract or portion of a policy or contract which is not guaranteed by the insurer or for which the individual has assumed the risk, such as a variable contract sold by prospectus;
- claims based on marketing materials or other documents which are not approved policy or contract forms, claims based on misrepresentations of policy or contract benefits, and other extra-contractual claims;
- any policy of reinsurance (unless an assumption certificate was issued);
- interest rate yields that exceed an average rate specified by statute;
- dividends;
- credits given in connection with the administration of a policy or contract by a group contract holder;
- employers' plans to the extent they are self-funded (that is, not insured by an insurance company, even if an insurance company administers them);
- unallocated annuity contracts (which give rights to group contractholders, not individuals);
- certain contracts which establish benefits by reference to a portfolio of assets not owned by the insurer; or
- policies providing health care benefits for Medicare Parts C or D Coverage.

LIMITS ON AMOUNT OF COVERAGE
The Guaranty Association in no event will pay more than what an insurance company would owe under a policy or contract. In addition, state law limits the amount of benefits the guaranty association will pay for any one insured life, and no matter how many policies or contracts there are with the same company, as follows: (i) for life insurance, not more than $300,000 in death benefits and not more than $100,000 in net cash surrender and net cash withdrawal values; (ii) for health benefit plans, not more than $500,000, but not more than $300,000 for disability insurance and long term care insurance, and not more than $100,000 for other types of health insurance, and (iii) for annuities, not more than $250,000 in the present value of annuity benefits, including net cash surrender and net cash withdrawal values. However, in no event will the Guaranty Association be obligated to cover more than an aggregate of $300,000 in benefits with respect to any one life except with respect to health benefit plans, for which the aggregate liability of the guaranty association may not exceed $500,000. These general statements of the limits on coverage are only summaries and the actual limitations are set forth in South Dakota law.

ADDITIONAL INFORMATION
The statutes which govern the Guaranty Association are contained in SDCL Chapter 58-29C. Additional information about the Guaranty Association may be found at www.sdli Sega.org, which contains a link to SDCL Chapter 58-29C.

Information about the financial condition of insurers is available from a variety of sources, including financial rating agencies such as A.M. for Group Term Life Insurance

Please keep this notice with your Certificate.

BENEFICIARY DESIGNATION MAY NOT APPLY IN THE EVENT OF ANNULMENT OR DIVORCE

Under Virginia law (Virginia Code Section 20-111.1), a revocable beneficiary designation in a policy owned by one spouse that names the other spouse as beneficiary becomes void upon the entry of a decree of annulment or divorce, and the death benefit prevented from passing to a former spouse will be paid as if the former spouse had predeceased the decedent. In the event of annulment or divorce proceedings, and if it is the intent of the parties that the beneficiary designation of the former spouse is to continue, you are advised to make certain that one of the following courses of action is taken prior to the entry of a decree of annulment or divorce:

- Change the beneficiary designation to make it irrevocable.
- Change the ownership of the policy or contract.
- Execute a separate written agreement stating the intention of both parties that the beneficiary designation is to remain in effect beyond the date of entry of the decree of annulment or divorce.
- Make certain that the decree of annulment or divorce contains a provision stating that the beneficiary designation is not to be revoked pursuant to Section 20.111.1.
